Student Aid Internet Gateway Application for State Grant Agencies

Introduction

The *Student Aid Internet Gateway (SAIG)* was established to allow authorized entities, including State Grant Agencies (the Agency), to exchange data electronically with the *U.S. Department of Education (ED, Department)*. In order to participate in the SAIG, each Agency must enroll for SAIG access. The SAIG Application for State Grant Agencies is comprised of two parts, an SAIG Enrollment Application and the SAIG Participation Agreement for State Grant Agencies.

1. **Part One – SAIG Enrollment Application for State Grant Agencies** (pages 8 – 15), which is comprised of five sections: Section One – Information about the State Grant Agencies – Instructions, including a description of whether the form is being used for an initial application, adding a new *Primary Destination Point Administrator* (Primary DPA) or *Non-Primary Destination Point Administrator* (Non-Primary DPA), or changing information about the Primary DPA or Non-Primary DPA; Section Two – Tell us about the services for which the Primary DPA wants to enroll for the DPA in Section One – this is where the DPA identified in Section One is enrolling in SAIG services; Section Three – Responsibilities of the Primary and Non-Primary Destination Point Administrator; Section Four – Certification of the President/CEO or Designee; and Section Five – Federal Student Aid User of Electronic Services Statement.
2. **Part Two – SAIG Participation Agreement for State Grant Agencies** (pages 16 – 22), is the legally binding agreement between the Department and the Agency. The SAIG Participation Agreement establishes the conditions under which the Department will provide the Agency with certain data received or generated by the Department concerning applicants for the *Title IV, Higher Education Act (HEA) student financial aid programs (Free Application for Federal Student Aid [FAFSA®] Applicants)*. In addition, the SAIG Participation Agreement provides the authority for the agreement, as well as authorized uses and disclosures of data, data security, and reporting of unauthorized disclosures.

Information about the Enrollment Process to Participate in the U.S. Department of Education’s SAIG

The enrollment process will enable the Agency to select services to receive, and/or view, student financial aid data either online or by batch processing using ED provided software – *EDconnect* (PC-based software) or *TDClient* (client software for multiple environments).

Each Agency must designate one individual as its Primary Destination Point Administrator (Primary DPA). Each Agency is also provided with a Primary Destination Point (an *SAIG mailbox*, which is identified by a *TG Number*). The Primary DPA is the only person within the Agency who may enroll other agency staff as Non-Primary DPAs with *Destination Points* assigned for specific SAIG services. Upon completing the enrollment process, the Primary DPA can add or remove users, edit information about the Agency, or change the Agency’s enrollment in various SAIG services.

To maintain access to *Federal Student Aid (FSA)* systems, the Primary DPA must validate the individuals enrolled for a SAIG Mailbox and *Electronic Services* for the Agency on a schedule determined by ED. If validation is not completed via the SAIG Enrollment Web site within the prescribed timeframe, all services assigned to the Agency and the Agency’s individuals could be deactivated.

Notes about the SAIG Application –

The first usage of a term in this document is italicized and can be found in the glossary located in Attachment A. The glossary will assist in understanding the many technical terms and acronyms commonly used in the *Title IV, HEA student financial aid programs* and in connection with the SAIG system.

Available Services for State Grant Agencies

The services that a State Grant Agency can access over the SAIG are:

- **Automatic ISIR processing:** A State Grant Agency can receive processed *FAFSA* applicant data in the form of an *Institutional Student Information Record (ISIR)* from the Department's *Central Processing System (CPS)* for the 2023-2024 cycle and the *FAFSA Processing System (FPS)* for the 2024-2025 cycle. An Agency may receive data for *Residents* (Title IV applicants who indicate on their FAFSA, as their state of legal residence, the state where the Agency is located) and/or *Non-Residents* (Title IV applicants who included on their FAFSA a post-secondary institution that is in the state where the Agency is located but not the applicant's state of legal residence). With this service, ISIRs are automatically transmitted to the State Grant Agency when students submit FAFSA applications and corrections to ED. The ISIR contains information submitted by the student, as well as FAFSA Services processing results. The DPA is automatically enrolled for FAFSA Online Services and EDconnect as part of enrolling for ISIR processing. Only one person at the Agency can be enrolled in the Automatic ISIR Processing.
- **National Student Loan Data Systems (NSLDS) Online: View Only:** The Agency may request that a DPA have online access to NSLDS to view Title IV, HEA loan, grant, and enrollment history.

Agency Personnel Involved in the SAIG Enrollment Application Process

There are four categories of users at the Agency who may obtain data from the Department's systems and who must complete parts of the SAIG Application:

- **President/CEO or Designee:** The President/CEO is the individual responsible for identifying a Primary DPA for the Agency, and who is legally authorized to execute the SAIG Participation Agreement in Part Two on behalf of the Agency. This person is also responsible for signing the Enrollment Application in Section Four – Certification of the President/CEO or Designee on behalf of the State Grant Agency and to authorize the enrollment for the Primary DPA or Non-Primary DPA. The President/CEO may also assign a Designee in Section Four to act as the Authorizing Official on behalf of the President/CEO for future enrollments; however, only the President/CEO is authorized to sign the SAIG Participation Agreement in Part Two.
- **Primary DPA:** The Primary DPA is the individual at the Agency who is responsible for the administration of the Agency's SAIG participation which includes assigning access to the Agency's mailboxes and services and determining the Agency's *Electronic Services Users*. The Primary DPA is the only individual within the Agency who may enroll Agency staff as Non-Primary DPAs. The Primary DPA is required to complete and submit Sections One through Three of the SAIG Enrollment Application to the Coralville, Iowa address provided. When enrolling Non-Primary DPAs, a portion of Section Three of the Enrollment Application must be completed by the Primary DPA indicating that the Primary DPA has reviewed the responsibilities of DPAs with the Non-Primary DPA, including the responsibility to protect the privacy of the information obtained or provided via SAIG. The Primary DPA is also responsible for obtaining the signature of the President/CEO or Designee in Section Four for every enrollment of a Primary or Non-Primary DPA.
- **Non-Primary DPA:** When a Primary DPA enrolls a Non-Primary DPA in the SAIG, ED will assign the Non-Primary DPA a SAIG Mailbox with a unique TG number. The Non-Primary DPA, in collaboration with the Primary DPA, is required to complete and submit Sections One through Three of the Enrollment Application.
- **Electronic Services Users:** Electronic Services Users are enrolled for FAFSA Online Services or EDconnect by the Primary DPA. These Electronic Services Users are associated with the Primary Destination Point and do not require individually assigned mailboxes to access FAFSA Online Services or EDconnect. To protect the integrity and security of the data being transmitted, all Electronic Services Users must complete and submit Section Five – Federal Student Aid User of Electronic Services Statement to their Primary DPA. Section Five must also be signed by and maintained by the Primary DPA at the Agency. Section Five User Statements must be available for inspection by the Department.

Section One (General Information) – must be completed by the Primary DPA for all DPAs

Section One collects information about the type of enrollment, as well as information about the Agency and the DPA you want to enroll or for whom you are changing or adding information.

- Item 1. This SAIG Enrollment Application can be used for multiple purposes. As the Primary DPA, you may use the application to enroll new participants in the SAIG and you can use the application to change or add information about an existing DPA or Destination Point.
- A. Check Box A for “Initial application” if the Agency is a first-time SAIG participant and the Agency does not have a Destination Point. The President/CEO of the Agency will be designating the individual who will serve as the Agency’s Primary DPA. This enrollment will establish this user as the Primary DPA of the Primary Destination Point for the Agency. Note: If item 1A is selected, then enrollees must also complete items 2 and 4.
 - B. Check Box B for “Adding a new user for an additional Destination Point” if the Agency is currently enrolled in the SAIG and you want to add a Non-Primary DPA and an additional Destination Point. Fill in the Primary TG Number for the Destination Point. Note: If item 1B is selected, then enrollees must also complete items 2 and 4.
 - C. Check Box C for “Changing information for an existing Destination Point” if the Agency is currently enrolled in the SAIG and you want to change or add any information about an existing user or Destination Point. Fill in the TG Number for the Destination Point. Also, complete the information that has changed for any items in Sections One and Two; and complete Sections Three and Four. Note: If item 1C is selected, then enrollees must also complete items 2 and 4.

If you are uncertain of which box to check, call CPS/SAIG Technical Support at 1-800-330-5947.

- Item 2. Provide the name of the Agency, as you would like it to appear on all SAIG correspondence. (The limit is 40 characters, including letters and spaces.)
- Item 3. This item is pre-filled with “State Grant Agency.”

- Item 4. Check whether the information being provided is for the Primary DPA (only one Primary DPA per Agency) or for a Non-Primary DPA (the Agency may have more than one Non-Primary DPA enroll for NSLDS Online service). A separate application must be used for each Non-Primary DPA enrolling for NSLDS Online service. All information must be provided for the DPA enrolling for the Agency identified in Item 2. **Note: Do not use a group e-mail address.**

Section Two (Selection of Services) – must be completed by the Primary DPA when adding or changing services

Section Two allows you to add or change services for the Agency and the Primary DPA or Non-Primary DPA identified in Section One.

- Item 5. If the Agency would like the DPA identified in Item 4 to have access to receive ISIRs check the “Yes,” box and answer the remaining questions for this section. If not check the “No” box and skip to Item 6.
- A. Check either or both boxes for the appropriate Automatic ISIR Processing.
 - B. Check either or both boxes for the *award years* this DPA should receive the applicant data. If the 2023-2024 Award Year is selected then the Agency will only receive 2023-2024 ISIRs. If the 2024-2025 Award Year is selected the Agency’s enrollment will be rolled over automatically to include subsequent award years.
 - C. Choose the preferred delivery option, Daily or By Request. Daily is the default ISIR delivery method. If “By Request” is checked, the DPA must use FAFSA Online Services to request and receive ISIRs. The ISIRs are then sent to the DPA’s SAIG Mailbox through the SAIG.
- Item 6. If you would like NSLDS Online access to view Title IV, HEA loan, grant, and enrollment history, check the “Yes” box, check the “NSLDS Online-View Only” box, specify the state that the Agency is located, and select all applicable job functions.
