Hazardous waste generator reports

Comments related to question 17

Owner Initials

For any questions above with a "Yes" response, or which otherwise require additional explanation, please provide details. Use additional pages if needed.

The undersigned represents that to the best of his/her knowledge the responses, statements and facts given in this questionnaire are true and correct and no material facts have been suppressed or misstated.

Name:	Date:	Signature:
Affiliation with the property		

Privacy Act Statement:

Authority: 42 USC § 7101

Purpose: BPA will use this information to assess potential environmental liability.

Routine Uses: This information is authorized to be maintained in Privacy Act system of records [DOE-24: Land Records System](#). Other routine uses for which this information may be disclosed are listed in the Privacy Act system of records notice for DOE-24, which is published in the Federal Register.

Disclosure: Voluntary; however, failure to provide complete information may preclude BPA from acquiring land rights.

Paperwork Reduction Act Burden Statement:

This data is being collected by BPA to assess land for acquisition regarding environmental liabilities or issues associated with the property. The data you supply will be used by BPA's Pollution Prevention and Abatement organization to identify environmental liability associated with acquiring land rights for transmission projects. Public reporting burden for this collection of information is estimated to average .5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining that data needed, and completing and reviewing the collection of information.

Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Office of the Chief Information Officer, Enterprise Policy Development & Implementation Office, IM-22, Paperwork Reduction Project (OMB control number 1910-5190), U.S. Department of Energy, 1000 Independence Ave SW, Washington, DC, 20585-1290; and to the Office of Management and Budget (OMB), OIRA, Paperwork Reduction Project (OMB control number 1910-5190), Washington, DC 20503.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB control number.

The Paperwork Reduction Act (PRA) of 1995 requires each Federal agency to seek and obtain approval from the Office of Management and Budget (OMB) before undertaking a collection of information directed to 10 or more persons of the general public, including persons involved in or supporting the operations of Government-owned, contractor-operated facilities.

Submission of this data is voluntary.
