

American Innovation and Manufacturing Act - HFC Transshipment Notification

Worksheet Instructions:

Complete this reporting form if your company has or intends to tranship HFCs through the United States. To notify EPA that the shipment was imported into the United States as a transshipment, complete Section 2. To notify EPA that the shipment was exported out of the United States, complete Section 3. This form may only be used to notify EPA of either an upcoming import or a completed export.
