## Before You Begin

This guide will walk you through the steps needed to create, edit, submit, and view your 2022 Clean School Bus rebate application online. This guide also includes detailed definitions of key fields found in the online form and a printable list of all fields required in the form.

Follow these steps to prepare for completing the application:

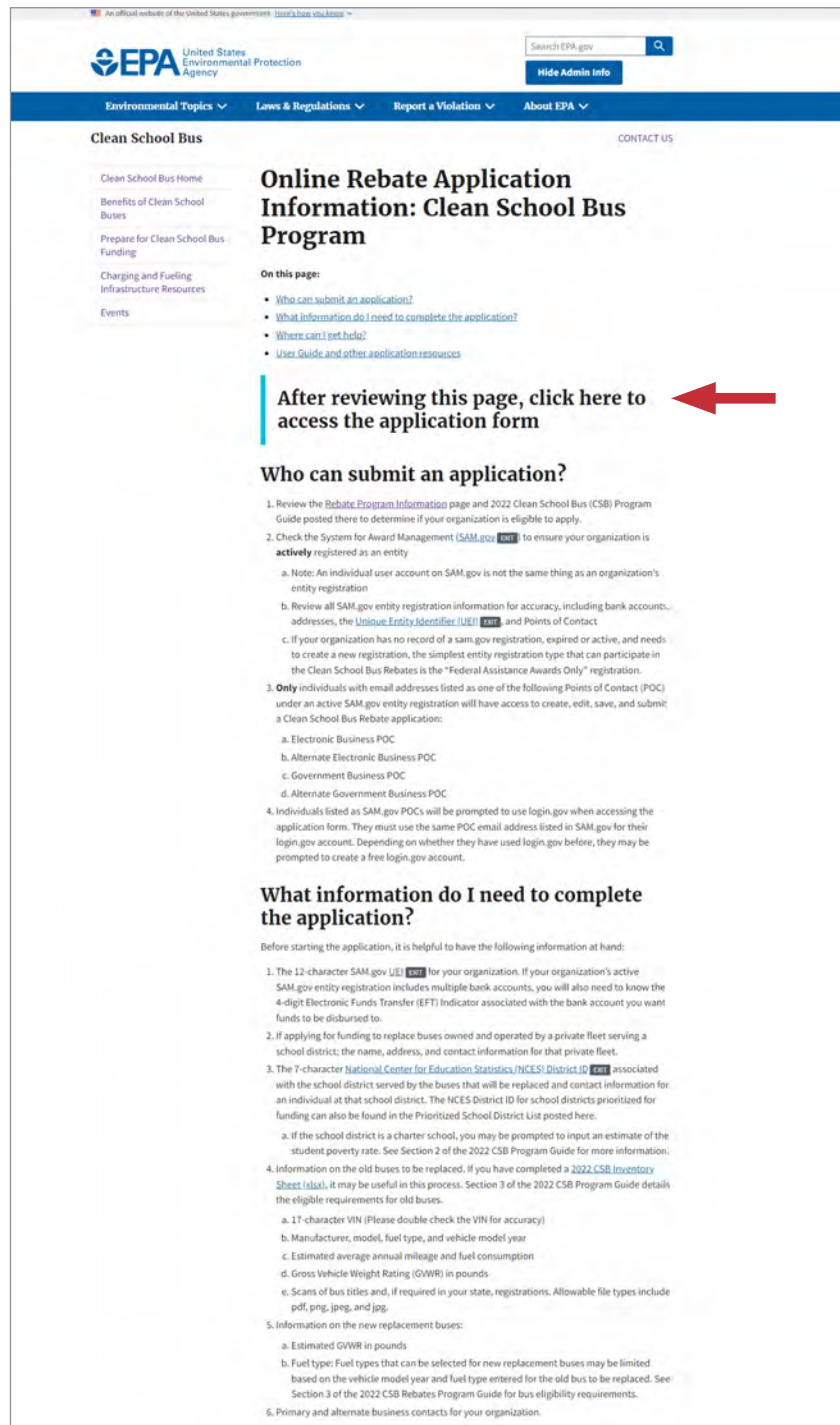

- 1. Confirm SAM.gov Points of Contact.** Confirm that the email of the person completing the application is registered as a designated Point of Contact (POC) in your organization's active SAM.gov entity registration. Otherwise, the person will not be able to use the rebate application system. Click [here](#) for more information on SAM.gov POCs.
- 2. Review the glossary of terms** used in the rebate application (see [Appendix A](#)).
- 3. Compile all required data.** [Appendix B](#) provides a printable list of all necessary data fields.
- 4. Check browser version.** Before filling out the rebate application, make sure the web browser version meets or exceeds the following versions:
  - Chrome 38
  - Safari 7.1
  - Internet Explorer 11
  - Firefox 13

**Note:** The heading numbers on the following pages correspond to the application screen sequence.

## 1.1 Online Rebate Application Information

Access the online rebate application from the Clean School Bus Program online rebate application information page.

The screenshot shows the EPA website's Clean School Bus program page. The main heading is "Online Rebate Application Information: Clean School Bus Program". Below this, there is a section titled "On this page:" with a list of links: "Who can submit an application?", "What information do I need to complete the application?", "Where can I get help?", and "User Guide and other application resources". A red arrow points to a text block that says "After reviewing this page, click here to access the application form". Below this are sections for "Who can submit an application?" and "What information do I need to complete the application?".

**Online Rebate Application Information: Clean School Bus Program**

**On this page:**

- [Who can submit an application?](#)
- [What information do I need to complete the application?](#)
- [Where can I get help?](#)
- [User Guide and other application resources](#)

**After reviewing this page, click here to access the application form**

**Who can submit an application?**

1. Review the [Rebate Program Information](#) page and 2022 Clean School Bus (CSB) Program Guide posted there to determine if your organization is eligible to apply.
2. Check the System for Award Management ([SAM.gov](#)) to ensure your organization is **actively** registered as an entity
  - a. Note: An individual user account on SAM.gov is not the same thing as an organization's entity registration
  - b. Review all SAM.gov entity registration information for accuracy, including bank accounts, addresses, the [Unique Entity Identifier \(UEI\)](#), and Points of Contact
  - c. If your organization has no record of a sam.gov registration, expired or active, and needs to create a new registration, the simplest entity registration type that can participate in the Clean School Bus Rebates is the "Federal Assistance Awards Only" registration.
3. **Only** individuals with email addresses listed as one of the following Points of Contact (POC) under an active SAM.gov entity registration will have access to create, edit, save, and submit a Clean School Bus Rebate application:
  - a. Electronic Business POC
  - b. Alternate Electronic Business POC
  - c. Government Business POC
  - d. Alternate Government Business POC
4. Individuals listed as SAM.gov POCs will be prompted to use [login.gov](#) when accessing the application form. They must use the same POC email address listed in SAM.gov for their login.gov account. Depending on whether they have used login.gov before, they may be prompted to create a free login.gov account.

**What information do I need to complete the application?**

Before starting the application, it is helpful to have the following information at hand:

1. The 12-character SAM.gov [UEI](#) for your organization. If your organization's active SAM.gov entity registration includes multiple bank accounts, you will also need to know the 4-digit Electronic Funds Transfer (EFT) Indicator associated with the bank account you want funds to be disbursed to.
2. If applying for funding to replace buses owned and operated by a private fleet serving a school district: the name, address, and contact information for that private fleet.
3. The 7-character [National Center for Education Statistics \(NCES\) District ID](#) associated with the school district served by the buses that will be replaced and contact information for an individual at that school district. The NCES District ID for school districts prioritized for funding can also be found in the [Prioritized School District List](#) posted here.
  - a. If the school district is a charter school, you may be prompted to input an estimate of the student poverty rate. See Section 2 of the 2022 CSB Program Guide for more information.
4. Information on the old buses to be replaced. If you have completed a [2022 CSB Inventory Sheet \(xlsx\)](#), it may be useful in this process. Section 3 of the 2022 CSB Program Guide details the eligible requirements for old buses.
  - a. 17-character VIN (Please double check the VIN for accuracy)
  - b. Manufacturer, model, fuel type, and vehicle model year
  - c. Estimated average annual mileage and fuel consumption
  - d. Gross Vehicle Weight Rating (GVWR) in pounds
  - e. Scans of bus titles and, if required in your state, registrations. Allowable file types include pdf, png, jpeg, and jpg.
5. Information on the new replacement buses:
  - a. Estimated GVWR in pounds
  - b. Fuel type: Fuel types that can be selected for new replacement buses may be limited based on the vehicle model year and fuel type entered for the old bus to be replaced. See Section 3 of the 2022 CSB Rebates Program Guide for bus eligibility requirements.
6. Primary and alternate business contacts for your organization.

## 1.6 Create Your Account

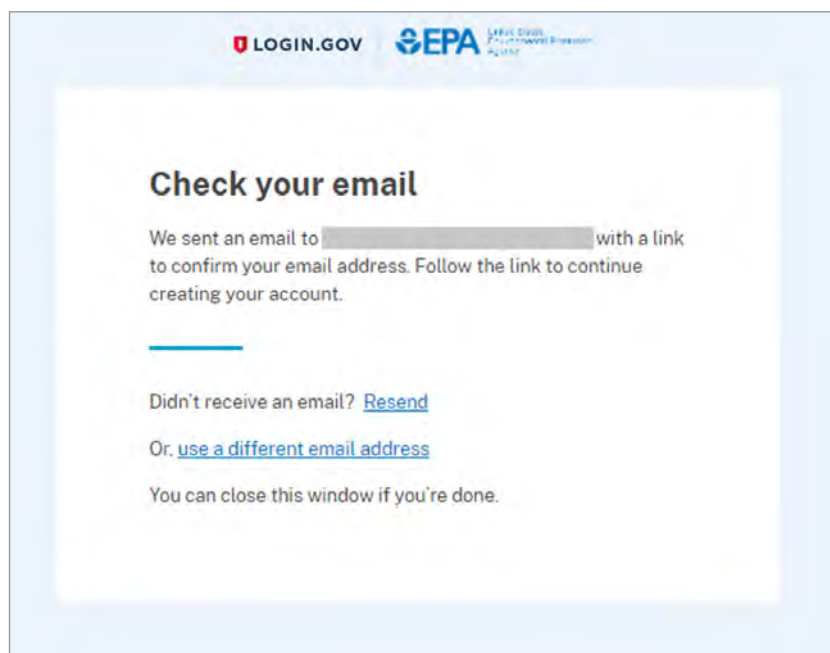

Enter your SAM.gov POC email address, select your language preference, select the checkbox to accept the Login.gov rules of use after reading, and select "Submit"

The screenshot shows the 'Create your account' form on the Login.gov website. At the top, the 'LOGIN.GOV' and 'EPA' logos are visible. The form title is 'Create your account'. Below the title, there is a section 'Enter your email address' with a text input field. A red arrow points to this field. Below that is the 'Select your email language preference' section, which includes a sub-header and a note: 'Login.gov allows you to receive your email communication in English, Spanish or French.' There are three radio button options: 'English (default)' (selected), 'Español', and 'Français'. A red arrow points to the 'English (default)' option. Below the language options is a checkbox labeled 'I read and accept the Login.gov Rules of Use' with a link to the rules. A red arrow points to this checkbox. At the bottom of the form is a blue 'Submit' button. A red arrow points to this button. Below the 'Submit' button are links for 'Cancel', 'Security Practices and Privacy Act Statement', and 'Privacy Act Statement'.

## 1.7 Email Confirmation

Check your email.

The screenshot shows the 'Check your email' confirmation page on the Login.gov website. At the top, the 'LOGIN.GOV' and 'EPA' logos are visible. The form title is 'Check your email'. Below the title, there is a message: 'We sent an email to [redacted] with a link to confirm your email address. Follow the link to continue creating your account.' Below this message is a horizontal line. Below the line, there is a link 'Didn't receive an email? Resend'. Below that, there is a link 'Or, use a different email address'. At the bottom, there is a message: 'You can close this window if you're done.'

## 1.8 Confirm Email Address

Open the confirmation email from Login.gov and select "Confirm email address".

Select one of the five authentication methods, then select "Continue." The following steps in this guide will only walk through the "Text or Voice Message" option, but you can use the option that best suits your needs.

LOGIN.GOV EPA United States Environmental Protection Agency

### Authentication method setup

Add another layer of security by using one of the multi-factor authentication options below.

- Security key**  
A physical device, often shaped like a USB drive, that you plug in to your device.
- Government Employee ID**  
PIV/CAC cards for government and military employees. Desktop only.
- Authentication Application**  
Download or use an authentication app of your choice to generate secure codes.
- Text or Voice Message**  
Receive a secure code by (SMS) text or phone call to your device. Do not use web-based (VOIP) phone services or premium rate (toll) phone numbers.
- Backup Codes**  
A list of 10 codes you can print or save to your device. When you use the last code, we will generate a new list. Keep in mind backup codes are easy to lose.

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB Control No. 2060-0686). Responses to this collection of information are voluntary (Title XI, Section 71101 of the Infrastructure Investment and Jobs Act (Public Law 117-58)). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to be 4.3 hours per response. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates and any suggested methods for minimizing respondent burden to the Regulatory Support Division Director, U.S. Environmental Protection Agency (2821T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.

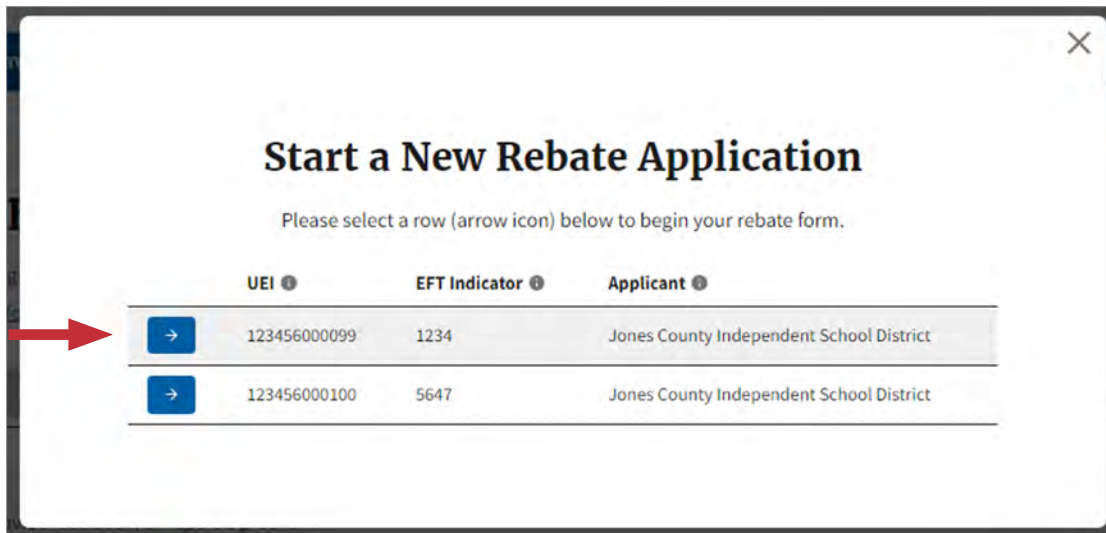

Expiration Date: 6/30/2022

## 2.2 Continue with New Application

Select the specific SAM.gov account (denoted by Unique Entity Identifier (UEI), Electronic Funds Transfer (EFT) Indicator, and Applicant name) to open a new application form.

**Note:** Most organizations will only have one UEI+EFT combination, but some may have more than one account from which to choose. For example, an organization may have registered multiple bank accounts in SAM.gov, each with its own EFT Indicator, to receive different grant payments. Therefore, review the specific UEI, EFT, and applicant name options carefully before proceeding.

## 2.3 Information Icons

**Note:** Hover your mouse over the information icons, found throughout the application screens, for additional information regarding specific fields.

## 2.4 Welcome Screen

Review the text on the “Welcome!” screen and select “Next” to proceed.

**Note:** Use of the browser back, forward, or refresh buttons while in the rebate application will result in loss of work. Please navigate using the “Next,” “Previous,” and “Save” buttons on the screen.

### Welcome!

This form allows eligible school districts, state governments, tribal organizations, and certain contractors like bus dealers to apply for awards to replace existing school buses with new ones under the 2022 Clean School Bus Rebate Program.

- In-form help is provided below fields and in the “?” next to field names.
- For additional assistance, please refer to the Program Guide and supporting documents at [School Bus Rebates: Clean School Bus Program](#), or contact the help desk at [cleanschoolbus@epa.gov](mailto:cleanschoolbus@epa.gov) (include the Applicant Name, Application ID, Unique Entity Identifier (UEI), Electronic Funds Transfer (EFT) Indicator, and School District Name in your email).

To complete this form, you will need the following information:

- The primary and alternate contact information for your organization.
- The National Center for Education Statistics (NCES) District ID and contact information for the school district that the replacement buses would serve.
- If a private fleet owns and operates the school buses being replaced, the fleet name, address, and contact information for the private fleet.
- Information about the old school buses being replaced including the VIN, manufacturer, vehicle model, vehicle model year, annual mileage, annual fuel consumption, fuel type, and gross vehicle weight rating (GVWR).
- Images of the vehicle titles and registrations for the vehicles being replaced (accepted formats are PDF, JPEG, PNG, and JPG).
- Information about the proposed new replacement school buses including the fuel type and GVWR.

To save your work on the form, you must select the “Save” or “Next” button. You will then be able to return later to finish your application without losing information.

To submit your application to EPA, complete all application screens and then sign and submit the form. Your application status is available on the applicant dashboard. Note: Only Government Business (and alternates) and Electronic Business (and alternates) Points of Contact from SAM.gov can access the dashboard. You and the Primary and/or Alternate Contacts will also receive a submittal email confirmation. EPA will review your application after the application submission period closes.

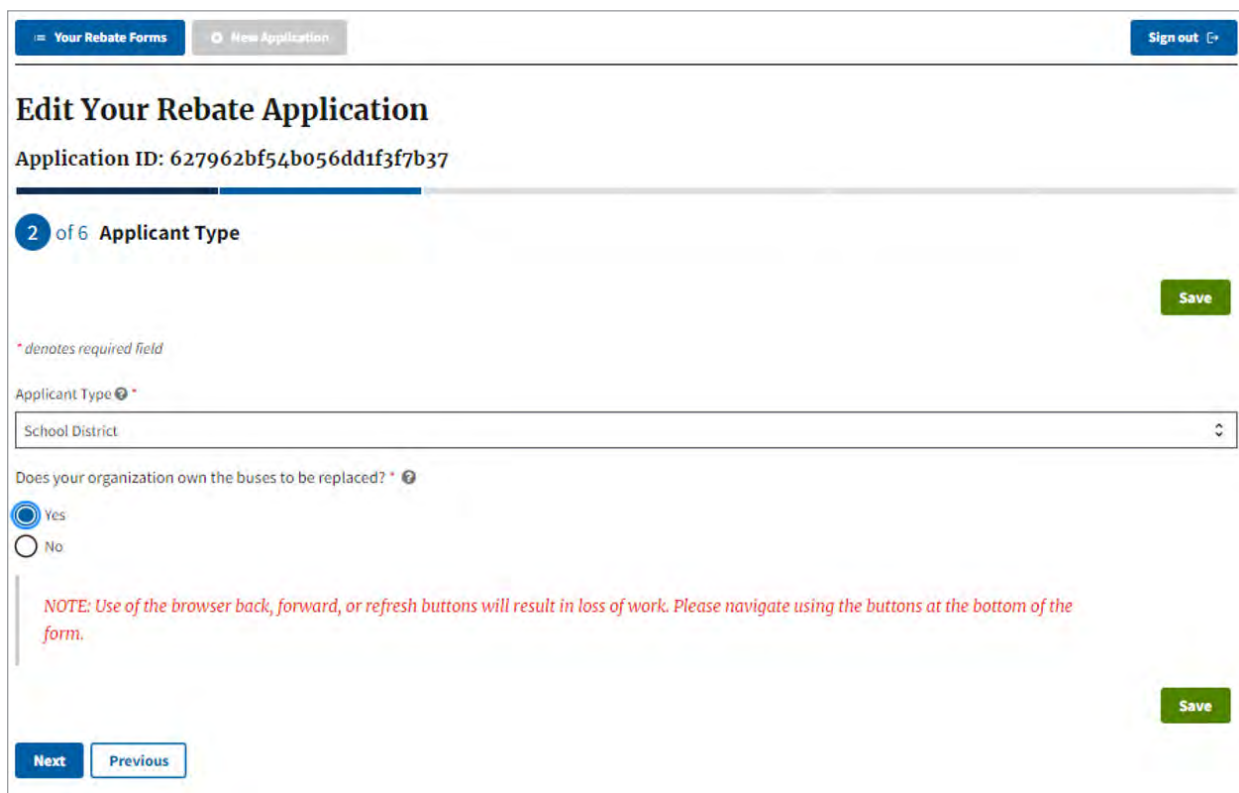

*NOTE: Use of the browser back, forward, or refresh buttons will result in loss of work. Please navigate using the buttons at the bottom of the form.*

## 2.5 Applicant Type

Select the "Applicant Type" using the drop-down menu to identify the type of organization you are representing. Then provide requested information regarding bus fleet ownership and operation information.

**Note:** School Districts, State Governments, and Indian Tribes or Tribal Organizations must either apply to replace buses they own, or buses owned and operated by a private fleet. Nonprofit School Transportation Associations and Bus Dealers or Organizations that Arrange Financing for Bus Purchases must either apply to replace buses owned by a school district or buses owned and operated by a private fleet. Eligibility requirements for applicant types are in the 2022 Clean School Bus Rebates Program Guide.

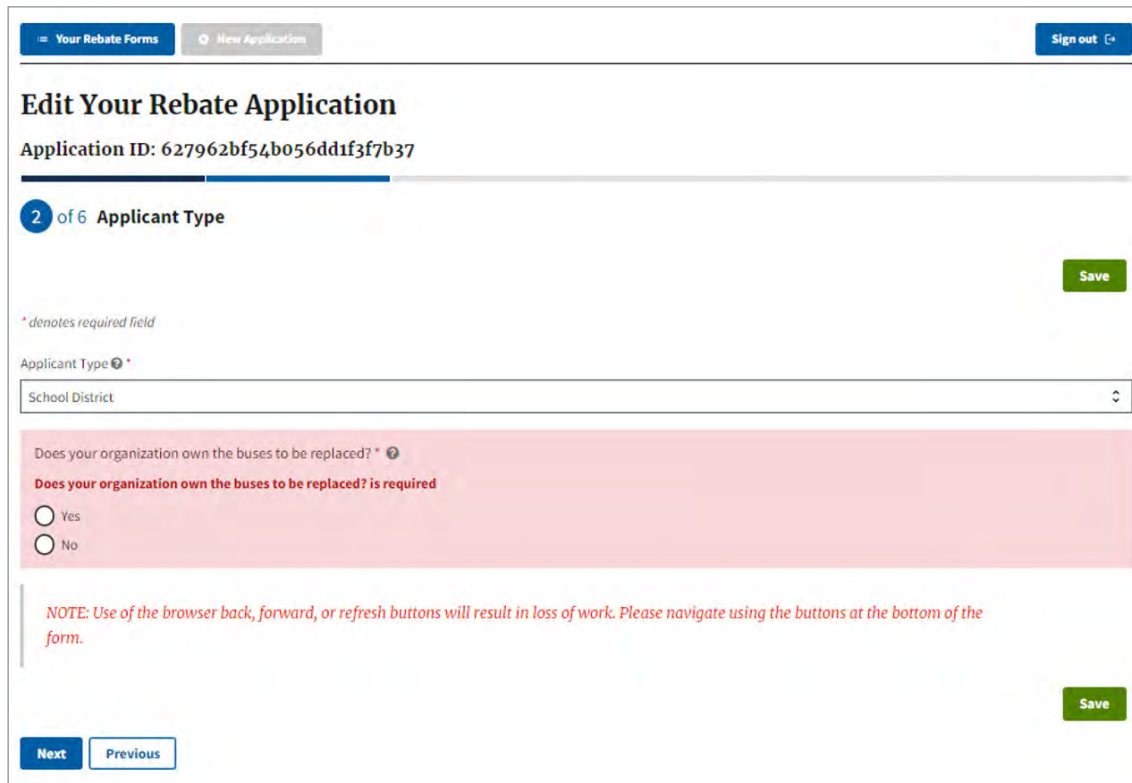

The screenshot shows a web application interface for editing a rebate application. At the top, there are navigation links for "Your Rebate Forms", "New Application", and "Sign out". The main heading is "Edit Your Rebate Application" with the application ID "627962bf54b056dd1f3f7b37". A progress indicator shows "2 of 6 Applicant Type". A red arrow points to the "Applicant Type" dropdown menu, which is currently set to "School District". Below this, there is a question: "Does your organization own the buses to be replaced?" with radio buttons for "Yes" (selected) and "No". A red note states: "NOTE: Use of the browser back, forward, or refresh buttons will result in loss of work. Please navigate using the buttons at the bottom of the form." At the bottom, there are "Next" and "Previous" buttons, with a red arrow pointing to the "Next" button. There are also "Save" buttons on the right side of the form.

## 2.6 Correcting Errors and Saving Draft Applications

The following provides useful information about identifying and addressing data entry errors, saving and editing data, and reviewing/finalizing draft applications.

## 2.6.1 Data Entry Errors

If data entry errors are detected (e.g., missing required fields), they will be highlighted for your attention. Make any required changes before proceeding.

The screenshot shows a web interface for editing a rebate application. At the top, there are navigation links for "Your Rebate Forms" and "New Application", and a "Sign out" button. The main heading is "Edit Your Rebate Application" with the application ID "627962bf54b056dd1f3f7b37". A progress indicator shows "2 of 6 Applicant Type". A "Save" button is visible in the top right. Below the progress indicator, a note states "\* denotes required field". The "Applicant Type" field is a dropdown menu currently showing "School District". Below this, a red error message is displayed: "Does your organization own the buses to be replaced? \* Does your organization own the buses to be replaced? is required". This message is accompanied by two radio buttons labeled "Yes" and "No". A red arrow points to the error message. Below the error message, a note reads: "NOTE: Use of the browser back, forward, or refresh buttons will result in loss of work. Please navigate using the buttons at the bottom of the form." At the bottom of the form, there are "Next" and "Previous" buttons, and another "Save" button.

## 2.6.2 Saving and Editing Your Information

You can save your work while filling out the rebate application form and return to it later to finish and submit. Data entered on each screen will be saved automatically when the “Next” button is selected. In addition, you can use the “Save” buttons to save information before proceeding to the next page.

## 2.12 NCES District ID: Seven Character Number

Your seven character NCES District ID will be displayed at the top of the district information summary screen.

Return to the rebate form and enter your NCES District ID. Most of the school district information will then be autofilled. In some cases, you may need to fill in information because it is not available from NCES. The form will highlight any required fields that are not filled out.

The screenshot shows the 'Search for Public School Districts' page from the Common Core of Data (CCD). The page displays detailed information for the Miami-Dade school district. A red arrow points to the 'NCES District ID: 1200390' field. The page is organized into sections: 'District Directory Information (2020-2021 school year)', 'District Details (2020-2021 school year; Fiscal data from 2018-2019)', and 'NOTES'.

## 2.13 Estimated Student Poverty Rate

Most school districts will be automatically identified with their prioritization status as "Yes" or "No" in the "Prioritized" field. However, in some cases, as seen in the screenshot below, the "Prioritized" field will display "Self-Certify". If this displays, the applicant must input an "Estimated Student Poverty Rate." See Section 2 of the 2022 CSB Rebates Program Guide for more information on prioritization and estimating the student poverty rate.

The screenshot shows the 'School District Contact Information' form. The 'City' field is filled with 'WASHINGTON', 'State or Territory' with 'DC', and 'Zip Code' with '20037'. The 'Estimated Student Poverty Rate' field is empty and highlighted with a blue border. Below it, the 'Prioritized' field is set to 'Self-Certify', indicated by a red arrow. The form includes a note: 'Enter 0 to 100 percentage poverty rate'.

Complete the School District Information screen by entering contact information for a representative of the school district and selecting "Next" to continue.

## 2.15 Bus Information: Data Entry

Provide the requested information for each bus using the data entry boxes and drop-down menus. Make sure the Vehicle Identification Number (VIN) has exactly 17 alphanumeric characters and is accurate. Attach a file with a scan of the title and registration (if required in your state or territory) for each old bus using the drag-and-drop feature or “browse” link. Allowable file types include pdf, png, jpeg, and jpg. Files must be 5MB or smaller to upload. Then select the fuel type and GVWR of the corresponding replacement bus. The vehicle rebate funding amount will be filled automatically. Select the “Save” button above the “Add Bus” button to save the information for each individual bus replacement.

The screenshot shows the 'Edit Your Rebate Application' interface. At the top, it says 'Application ID: 627962502ccfa7439d62a5ac'. The current step is '5 of 6 Bus Information'. There are several sections:

- Old Bus to be Replaced:** Includes fields for VIN, Manufacturer, Model, Model Year, Average Annual Mileage, and Average Annual Fuel Consumption. A file upload area is provided for 'Attach title and registration of bus.' with a 'Drop files to attach, or browse' button.
- New Replacement Bus Information:** Includes fields for Replacement Fuel Type and Replacement Bus GVWR.
- Funding:** A field for 'Vehicle Rebate Amount Requested'.
- Buttons:** 'Save', 'Cancel', and 'Add bus' buttons are located at the bottom of the form.

Red arrows point to the 'Save' button, the 'Add bus' button, and the 'Drop files to attach, or browse' button.

## 2.16 Enter Multiple Buses

You may select “Add Bus” to continue entering information for another vehicle. You may enter information for up to 25 old buses and their corresponding new replacement buses. Click “Next” to continue. The Total Vehicle Rebate Funds Requested field is automatically calculated based on the sum total of funds requested for each bus. Please see the 2022 Clean School Bus Rebates Program Guide for applicable infrastructure funding that may be available.

**Note:** Fuel types that can be selected for new replacement buses may be limited based on the vehicle model year and fuel type entered for the old bus to be replaced. See Section 3 of the 2022 CSB Rebates Program Guide for bus eligibility requirements.

## 2.18 Review and Sign Application

To complete your application, you must read and agree to the certification statement on this page, sign, and click "Submit Form". You may want to use the "Previous" button to review the entirety of the application before proceeding with submission. The "Name" and "Title" fields on this page are autofilled for the individual that initiated the form based on their SAM.gov POC information. If a different user wants to sign and submit the form, they must also be a SAM.gov POC for your organization and will need to use login.gov to enter the Clean School Bus Rebate Forms site to complete the application that was saved as a draft. In this scenario, they must edit the "Name" and "Title" fields to show their own full name and title before signing and submitting.

The submitter will receive an email confirming receipt of the submission with an application number. **Please save this information in case you need to contact EPA to revise your submission.**

The individual listed below must sign and submit this application before it will be considered for funding by the EPA. If you do not have the authority to sign this application, then notify the authorized representative so they can sign and submit the application. Note: The authorized representative must be registered as either the Government Business (and alternate), or Electronic Business (and alternate) Point of Contact in SAM.gov to access this application.

By signing and submitting this application, applicants certify that:

1. They have read and agree to comply with the requirements and terms and conditions in the 2022 Clean School Bus (CSB) Rebates Program Guide. This certification is material representation that EPA will rely upon in providing funds for vehicle replacement rebates. False certifications may result in criminal prosecution under 18 U.S.C. § 1001, civil liability under the False Claims Act, 31 U.S.C. § 3729 et seq. and/or the Program Fraud Civil Remedies Act, 31 U.S.C. § 3801 et seq., suspension and/or debarment pursuant to 2 C.F.R. Part 180, and/or other criminal, civil or administrative penalties, sanctions, and remedies available to the Federal government.
2. Old buses listed to be replaced and new replacement buses meet the eligibility requirements in the 2022 CSB Rebates Program Guide and, if selected for funding, old buses will be disposed of according to the Program Guide requirements.
3. Replacement buses and associated charging/fueling infrastructure funded in this program will not be ordered until after official notification of selection.
4. They have the authority to represent the applicant organization listed on this form.
5. The public school system that will be served by the replacement buses for at least five years has been notified and approves of the proposed bus replacements.
6. The statements and information provided in this application are true and accurate to the best of their knowledge.
7. They will respond to EPA or its representatives if contacted to clarify information submitted in this application.

Sign the form by using your mouse cursor as a pen.

Once you submit this application form you will receive an email confirmation and the applicant dashboard will show submitted as the status. The Primary and Alternate applicant contacts will also receive confirmation emails.

### 3. Submission and Review Process

Once you submit your rebate application, a record summarizing application details will appear on the “Clean School Bus Rebate Forms” screen including applicant name, school district, the email of the last person that edited/submitted the form, the date of the last update, and the submission status (draft or submitted). Draft applications can be re-opened, edited, and completed by a SAM.gov POC by selecting the pencil icon. Submitted applications cannot be edited but may be viewed by selecting the pencil icon on the left side of the screen.

***If, after submission, you identify errors or other information in your application that requires changes, contact the Clean School Bus Program Help Desk at [cleanschoolbus@epa.gov](mailto:cleanschoolbus@epa.gov) for assistance.*** Make sure to provide your application ID included in your confirmation email and an explanation of the issue.

**Note:** The Help Desk may not be able to respond to all requests to edit a submitted application in a timely manner, particularly requests that come close to the application deadline. Applicants should thoroughly review their initial application submission for accuracy to avoid missing any submission deadlines.

If the Help Desk does allow you to edit a submitted application, you will be notified when your application’s status is changed back to “draft,” at which time an approved POC may open, edit, and resubmit the application.

After submission, EPA will review your application and may contact you for additional information. Final award decisions will take approximately 60 days from the application deadline. If you are contacted for clarifications or corrections, you may be asked to revise your application and resubmit it.

## Appendix A—Glossary

The following provides definitions of terms and abbreviations used throughout the rebate application forms and system screens.

### Clean School Bus Rebate Forms Dashboard Screen: Definitions

- Form Type—Application, Payment Request, or Close-Out Form
- UEI—Unique Entity ID from SAM.gov
- EFT Indicator—Electronic Funds Transfer Indicator for the associated bank account from SAM.gov
- Applicant—Legal Business Name from SAM.gov for this UEI
- School District—School District served by the buses
- Updated by—Last person to update the form
- Date Updated—Last date this form was updated
- Status—Submitted or Draft

### Rebate Application Screens: Definitions and Help

#### Applicant Type Screen

- Applicant Type—Select one of the options from the dropdown menu. For more information on organization types refer to the 2022 CSB Rebates Program Guide.
- Does your organization own the buses to be replaced?—If you answer that your organization is a ‘Bus dealer or organization that arranges financing for bus purchase,’ or ‘Nonprofit school transportation association,’ then this question is skipped and an answer of ‘no’ is recorded in your application.
- Are you applying to replace buses owned and operated by a private bus fleet?—School Districts, State Governments, and Indian Tribes or Tribal Organizations must either apply to replace buses they own or buses owned and operated by a private fleet. Nonprofit School Transportation Associations and Bus Dealers or Organizations that Arrange Financing for Bus Purchases must either apply to replace buses owned by a school district or buses owned and operated by a private fleet. Eligibility requirements for applicant types are in the 2022 Clean School Bus Rebates Program Guide.

#### Applicant Information Screen

- Unique Entity Identifier (UEI)—This is your applicant organization’s SAM.gov Unique Entity Identifier (UEI) and is automatically filled based on the organization selected when starting this application.
- Electronic Funds Transfer (EFT) Indicator—This is your SAM.gov EFT Indicator and is automatically filled based on the organization selected when starting this application.
- Primary Contact Name—Enter the primary contact for the applicant. The primary contact may or may not be someone different than the Government Business (or alternate), or the Electronic Business (or alternate) contact.
- Alternate Contact Information—Optionally enter the alternate contact for the applicant. The alternate contact may or may not be someone different than the Government Business (or alternate), or the Electronic Business (or alternate) contact.

### School District Information Screen

- National Center for Education Statistics (NCES) District ID—Enter the seven-character NCDES District ID. If you don't have a NCES District ID, contact the Help Desk at [cleanschoolbus@epa.gov](mailto:cleanschoolbus@epa.gov).
- State or Territory—Enter the state or territory postal abbreviation for the school district.
- Zip Code—Enter the 5 digit zip code or the 5 digit plus 4 (e.g., NNNNN-NNNN) for the school district.
- Estimated Student Poverty Rate—If you need to self-certify the student poverty rate, this question will be editable. This question will not be editable and will be blank if EPA has already determined whether the school district is prioritized for funding.
- Prioritized—Automatically filled either 'yes' or 'no' based on whether the school district meets the prioritization criteria. If "Self-Certify" is displayed, enter the "Estimated Student Poverty Rate" in the above field to determine if your school district is prioritized.
- Name—Enter the contact name for the school district. This may be different than the applicant contacts.

### Bus Information Screen

- VIN—Enter the 17-character Vehicle Identification Number. Please double-check all 17 characters to ensure there are no errors that may result in an invalid application.
- Manufacturer—Select the bus manufacturer. Do not enter the engine manufacturer.
- Model—Enter the model of the bus, not the bus type.
- Model Year—Enter the vehicle model year in the format YYYY. Generally, 2010 or older diesel powered school buses are eligible for replacement; however, see the 2022 CSB Rebates Program Guide for exceptions.
- Average Annual Mileage—Enter the estimated average annual mileage of the old bus to be replaced over the life of the bus.
- Average Annual Fuel Consumption (gallons)—Enter the estimated average annual fuel used by the old bus to be replaced over its life. For CNG buses, use diesel gallon equivalents.
- Fuel Type—Select the bus fuel type from the dropdown list.
- GVWR—Gross Vehicle Weight Rating (GVWR) in pounds (lbs). The GVWR is typically found on the bus VIN plate.
- Attach title and registration of the bus—Allowed file types: \*.pdf, \*.png, \*.jpeg, \*.jpg. Provide the title for this bus and if required in your state or territory, supply the bus registration. File size: 5 MB and below.
- Replacement Fuel Type—Fuel types that can be selected for new replacement buses may be limited based on the vehicle model year and fuel type entered for the old bus to be replaced. See Section 3 of the 2022 CSB Rebates Program Guide for bus eligibility requirements. Select the replacement bus fuel type from the dropdown menu.

- Replacement Bus GVWR—Enter estimated Gross Vehicle Weight Rating (GVWR) in pounds (lbs). GVWRs of 26,001 lbs. or greater are offered more funding per bus. School bus manufacturers or dealers may be able to assist in providing a GVWR for new replacement buses.
- Vehicle Rebate Amount Requested—Automatically filled based on Replacement Bus Fuel Type, Replacement Bus GVWR, and prioritization status of school district per 2022 the Clean School Bus Rebates Program Guide.
- Total Vehicle Rebate Funds Requested—Please see 2022 Clean School Bus Rebates Program Guide for applicable infrastructure funding that may be available.
