PRIVACY ACT NOTICE: The VA will not disclose information collected on this form to any source other than what has been authorized under the Privacy Act of 1974 or Title 38, Code of Federal Regulations 1.576 for routine uses (i.e., civil or criminal law enforcement, congressional communications, epidemiological or research studies, the collection of money owed to the United States, litigation in which the United States is a party or has an interest, the administration of VA programs and delivery of VA benefits, verification of identity and status, and personnel administration) as identified in the VA system of records, 58VA21/22/28, Compensation, Pension, Education, and Veteran Readiness and Employment Records - VA, published in the Federal Register. Your response is required to obtain or retain benefits. The requested information is considered relevant and necessary to determine maximum benefits under the law. The responses you submit are considered confidential (38 U.S.C. 5701). Information submitted is subject to verification through computer matching programs with other agencies.

RESPONDENT BURDEN: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this project is 2900-0108, and it expires XX/XX/20XX. Public reporting burden for this collection of information is estimated to average 30 minutes per respondent, per year, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate and any other aspect of this collection of information, including suggestions for reducing the burden, to VA Reports Clearance Officer at VACOPaperworkReduAct@va.gov. Please refer to OMB Control No. 2900-0108 in any correspondence. Do not send your completed VA Form 21P-4185 to this email address.

FEES FOR CLAIMS: Section 5904, Title 38, United States Code (codified in § 14.636, Title 38, Code of Federal Regulations) contains provisions regarding fees that may be charged, allowed, or paid for services provided by a VA-accredited attorney or agent in connection with a proceeding before the Department of Veterans Affairs with respect to a claim for benefits under laws administered by the Department. Generally, a VA-accredited attorney or agent may charge you a fee for assisting in seeking further review of a claim for VA benefits only after VA has issued an initial decision on the claim and the attorney or agent has complied with the applicable power-of-attorney and the fee agreement requirements.

INSTRUCTIONS: Please provide specific information about the gross income and expenses of your property and/or business, so we can determine eligibility for benefits. Print all answers clearly. If an answer is "none" or "0," write that or line through the space provided. For additional space, attach a separate sheet, indicating the item number to which the answers apply. Make sure to write the veteran's name and VA claim number on any attachments to the form.

Rental income: Net rental income is gross rental income less expenses. Depreciation and payments on the principal of a mortgage are not deductible. If the rental property is partially occupied by the owner, report the gross income received and the proportionate part of the expenses. For example: If you own a two-family house that is occupied by you and another family, report the gross income you receive from the other family and one-half of the expenses.

Business income: Net business income is gross income less operating expenses. Depreciation, withdrawals of cash or merchandise, and salaries paid you or your partners are not deductible. Deductible operating expenses include cost of goods sold, rent, normal repairs, taxes (other than Federal income tax), salary or wages of employees, insurance, interest on business debts, and similar expenses.
