

Create Report of Adulteration or Misbranding

Click **Create Report** to run the Create Report wizard. The wizard helps you create the case. Follow the onscreen instructions, complete all required fields, then click **Finish**. After the case is created (in Draft state), add additional incident and product detail, then submit it to the Agency for review.

Important!

The newly created report shall be submitted to the Agency within 2 days. Draft reports which are older than 2 days will be deleted automatically.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0583-0144. The time required to complete this information collection is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Form FSIS 5720-16.

IRA (Industry Report of Adulteration)

An inspected establishment has identified they have shipped or received adulterated and or misbranded product and is notifying the regulatory agency.
