Survey Thank You Email

Dear [SNAP State Director name (or designated point of contact)],

Thank you for completing the survey for the U.S. Department of Agriculture's Food and Nutrition Service (FNS) study: *Understanding Risk Assessment in SNAP Payment Accuracy* study (SNAP RA study). Your responses will help inform FNS about the ways State agencies use case-profiling tools to estimate the risk of payment errors. We really appreciate the time you took to respond to the survey and the valuable input you provided.

[For States that have a current risk assessment tool] Our study team will review your responses to the survey and may reach out for additional information on your risk assessment tool.

[For States that submit their survey prior to case study selection] As noted in the initial notification letter you received from FNS, the study includes a followup interview with staff in six State agencies. If your State agency is selected for followup interviews, we will contact you in the next [X] weeks.

Once again, thank you for your participation in this study.

Sincerely,

SNAP RA Study Team
