Administrative Data Request Invitation to SNAP State Directors

Dear [SNAP State Director name (or designated point of contact)],

Thank you for working with me to provide information on your SNAP State agency's case-profiling tool for the SNAP Risk Assessment (SNAP RA) study. To help us better understand how your case-profiling tool works we request some additional data about the tool. We have attached a shareable memo with instructions and details on the data we are looking to collect. **Note this request does not include any personally identifying data and is not part of an audit or monitoring visit.** Participation in this request is voluntary. Refusal to participate will not have any impact on your position, your State agency, or your programs. You may also skip pieces you do not wish to provide. There is no cost to you to participate apart from the time you spend to complete the request, and there is no compensation. The request should take about 75 minutes.

Please confirm that you are able to provide this data as soon as possible but no later than [date] by contacting me via email at kevinbaier@westat.com or by telephone at 301-279-4593. If you have any question regarding the study please contact FNS project officer, Eric Williams at eric.williams@usda.gov.

You may share the memo with your colleagues to assist in completing this request. Reach out if you have any questions about the study or how to complete this request.

We appreciate your support for the SNAP RA study.

Sincerely,

Kevin Baier
