PRIVACY ACT STATEMENT

Authority: The collection of this information is authorized under the Magnuson-Stevens Fishery Conservation and Management Act, 16 U.S.C 1801 *et seq.*

Purpose: The PSD Program allows permitted seafood processors to retain salmon and halibut bycatch for distribution to economically disadvantaged individuals through tax exempt hunger relief organizations. A PSD permit authorizes tax-exempt organizations to distribute salmon and halibut to hunger relief agencies, food bank networks, or food bank distributors, and that permit must be renewed every three years. An organization seeking to distribute salmon bycatch and halibut bycatch under the PSD Program must submit an application to become a PSD distributor.

Routine Uses: The Department will use this information to identify fishery participants and evaluate the qualifications of the applicants. Disclosure of this information is permitted under the Privacy Act of 1974 (5 U.S.C. Section 552a), to be shared within NMFS offices, in order to coordinate monitoring and management of sustainability of fisheries and protected resources, as well as with the applicable State or Regional Marine Fisheries Commissions and International Organizations. Disclosure of this information is also subject to all of the published routine uses as identified in the Privacy Act System of Records Notice COMMERCE/NOAA-19, Permits and Registrations for the United States Federally Regulated Fisheries.

Disclosure: Furnishing this information is required to obtain a permit to distribute salmon bycatch and halibut bycatch under the PSD Program.
