

The process begins when an applicant enters a recruiter's office and expresses interest in joining the Air Force. To get started the recruiter asks the applicant to complete the SF-86 "Questionnaire for National Security Positions" (OMB Control Number 3206-0005). The recruiter enters the information from the SF-86 into the Air Force Recruiting Information Support System - Total Force (AFRISS-TF).

The recruiter then provides the applicant with the Agency Disclosure Notice and Privacy Act Statement for AFRISS-TF (see page 2) then proceeds to complete the remaining fields (see screen shots below). They are either filled out by the recruiter (because they are internal use only) or the recruiter asks the applicant for their responses.

The system is logically organized and the tabs flow left to right.

OMB CONTROL NUMBER: 0701-0150
OMB EXPIRATION DATE: MM/DD/YYYY

AGENCY DISCLOSURE NOTICE

The public reporting burden for this collection of information, 0701-0150, is estimated to average 180 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or burden reduction suggestions to the Department of Defense, Washington Headquarters Services, at whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.
