*Where temperature or pulse is higher than normal, but the animal is otherwise apparently normal, notation should be made as to the condition of exercise or excitement under which the temperature and pulse were taken.

Milk or cream from unhealthy cows must be so disposed of as to prevent its introduction into the United States, and certificate of owner of cows, stating how such milk or cream will be disposed of, must be given on the other side of this form.

Use additional forms if this space is insufficient for reporting all cows in herd.
