

# CureTB Partner Feedback

Please tell us about your experience working with CureTB for this current referral with this survey that should take less than 10 minutes. You will receive a link to this survey for each patient you refer to CureTB. Your feedback will help us improve working with our partners. This feedback is completely voluntary, and all questions are optional. You may answer the survey multiple times. Do not include personal information (PII) about yourself or a specific patient in this questionnaire. If you have questions or would like to discuss a particular patient, please contact the CureTB program at [curetb@cdc.gov](mailto:curetb@cdc.gov).

**What suggestions do you have for improving the CureTB referral process?**

**How many referrals have you sent to CureTB in the last 12 months?**

CDC estimates the average public reporting burden for this collection of information as 10 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-1186).
