Subject: RE: OMB Clearance-New 30-day ICR-Information Collection for Tuberculosis Data from Referring Entities to CureTB
Attachments: CureTB-PIA-Signed.pdf

Good Morning,

I have completed a review of the OMB Clearance-New 30-day ICR-Information Collection for Tuberculosis Data from Referring Entities to CureTB and determined that Personally Identifiable Information (PII) or Personal Health Information (PHI) is being collected. A Privacy Impact Assessment (PIA) is required for this collection. The latest signed PIA for CureTB is attached.

Thanks,

Good afternoon,

Please see attached OMB ICR package for a PIA request for Information Collection for Tuberculosis Data from Referring Entities to CureTB.

Let me know if you have any questions.

Thanks,
