Re: Compliance Review Number XXXXX

Dear TITLE LASTNAME,

On (month, day, year), the Department of Health and Human Services (HHS), Division of National Standards (DNS) within the Centers for Medicare & Medicaid Services' (CMS) sent **<Covered Entity Name>** a Notice of Draft Findings that included an opportunity to provide a response to each violation cited in the **<Covered Entity Name>** 2018 assessment.

As a follow up to that notice, DNS has opened a corrective action record so that **<Covered Entity Name>** can address the violations that warrant corrective action. Refer to the enclosed Interim Violations Summary Report for additional information, including a DNS reply for each citation.

**<Covered Entity Name>** is expected to resolve the violations that warrant corrective action by developing and executing a Corrective Action Plan (CAP). The CAP must include major milestones, planned start and completion dates, as well as the party responsible for each milestone. **<Covered Entity Name>** must provide the CAP within 30 days from the date of this notice, (month, day, year). As a courtesy, the enclosed CAP template may be used.

You may use the link below to submit your CAP via our secure ASETT portal.

**Link:** *<link>*

**Security Token:** *<Security Token>*

DNS will review the provided CAP and notify **<Covered Entity Name>** of its approval. Additionally, as part of the corrective action process, DNS will follow up at the planned completion date(s) of each milestone to verify its completion.

Prior to closing the corrective action record, DNS must verify that <Covered Entity Name> has fully executed the corrective action plan. <Covered Entity Name> will be asked to submit verification, such as screenshots from its change request system, test system, ticket system, or other applicable system(s) that demonstrates the CAP was executed.

If you have any questions regarding this notice, please send an email to [HIPAACompliance@cms.hhs.gov](mailto:HIPAACompliance@cms.hhs.gov). Please include the compliance review number located at the top of this notice.

Sincerely,  
Madhu Annadata, Director  
Division of National Standards
