Failure to follow the requirements listed below may result in suspension or termination of the eCBSV service.

1. If the Permitted Entity is operating as a service provider, subsidiary, affiliate, agent, subcontractor, or assignee of a Financial Institution, the Permitted Entity will ensure that each Financial Institution it services abides by all terms, conditions, and requirements of this user agreement through a contractual relationship or other express written agreement.
2. The Permitted Entity acknowledges that a requirement to register for using the eCBSV system and signing this user agreement, is to provide to SSA a consent for SSA to access its Employer Identification Number (EIN). The Permitted Entity agrees to notify SSA if its EIN has changed since signing this user agreement.
3. Pursuant to the certification requirement in the Banking Bill, the Permitted Entity must submit a Permitted Entity Certification at the outset of this user agreement and at least every two (2) years thereafter by using the template attached to the user agreement as Exhibit A. Permitted Entities cannot deviate from the language provided in Exhibit A. The Permitted Entity must complete its own Permitted Entity Certification. #### External Testing Environmental Registration

##### About ETE

SSA will provide an External Testing Environment (ETE) for clients in development to perform interface testing of their software with the eCBSV Service. To use the ETE, you are required to register your test environment. SSA recommends that you set up and configure an independent test environment to connect to SSA's ETE. The test environment should replicate the Production environment, including network connectivity, network security, and SSN Verifications to ensure proper handling of the responses returned to the client software. Upon successful registration, you will be provided the ETE OAuth Client ID that is required for accessing the ETE. Please visit <https://www.ssa.gov/dataexchange/eCBSV> to find additional technical information and instruction for using the ETE.

##### Registration

Please provide the Open ID Connect (OIDC) Issuer URL for your test environment and click Submit.
