Guidance may be furnished to assist in the interpretation of the regulations.

(c) After receiving a Request for Reconsideration that includes a request for a conference call or meeting, OCSE will determine whether to hold a conference call or a meeting with the Tribe or Tribal organization to discuss the reasons for disapproval of the application, plan, or plan amendment as well as the Tribe or Tribal organization's response. The Secretary will notify the Tribe or Tribal organization of the date and time of the conference call or meeting.

(d) A conference call or meeting under §309.45(c) shall be held not less than 30 days nor more than 60 days after the date the notice of such call or meeting is furnished to the Tribe or Tribal organization, unless both parties agree in writing to another time.

(e) The Secretary will make a written determination affirming, modifying, or reversing disapproval of a Tribal IV-D program application, plan, or plan amendment within 60 days after the conference call or meeting is held, or within 60 days after the request for reconsideration that does not include a request for a meeting. This determination shall be the final decision of the Secretary.

(f) The Secretary's determination that a Tribal IV-D application, new plan or plan amendment is not approvable remains in effect pending the reconsideration under this part.

(g) Disapproval of start-up funding, a request for waiver of the 100-child rule, and a request for waiver of the non-Federal Tribal share is not subject to administrative appeal.

(h) Where the Secretary believes an approved Tribal IV-D plan should be disapproved, he will notify the Tribe of his intent to disapprove the plan. If the Tribe waives its right to reconsideration under this section, the Tribe may request a pre-decision hearing with 60 days of the date of the Notice of Intent to Disapprove the plan. The hearing will utilize the procedures at 45 CFR part 213.

§309.50 What are the consequences of disapproval of a Tribal IV-D program application, plan or plan amendment?

(1) Take into account the needs of the child and the earnings and income of the noncustodial parent; and

(2) Be based on specific descriptive and numeric criteria and result in a computation of the support obligation.

§309.110 What procedures governing income withholding must a Tribe or Tribal organization include in a Tribal IV-D plan?

A Tribe or Tribal organization must include in its Tribal IV-D plan copies of Tribal laws providing for income withholding in accordance with this section.

(a) In the case of each noncustodial parent against whom a support order is or has been issued or modified under the Tribal IV-D plan, or is being enforced under such plan, so much of his or her income, as defined in §309.05, must be withheld as is necessary to comply with the order.

(b) In addition to the amount to be withheld to pay the current month's obligation, the amount withheld must include an amount to be applied toward liquidation of any overdue support.

(c) The total amount to be withheld under paragraphs (a) and (b) of this section may not exceed the maximum amount permitted under section 303(b) of the Consumer Credit Protection Act (15 U.S.C. 1673(b)), but may be set at a lower amount.

(d) Income withholding must be carried out in compliance with the procedural due process requirements established by the Tribe or Tribal organization.

(e) The Tribal IV-D agency will promptly refund amounts which have been improperly withheld.

(f) The Tribal IV-D agency will promptly terminate income withholding in cases where there is no longer a current order for support and all arrearages have been satisfied.

(g) If the employer fails to withhold income in accordance with the provision of the income withholding order, the employer will be liable for the accumulated amount the employer should have withheld from the noncustodial parent's income.

(h) Income shall not be subject to withholding in any case where:

(1) Either the custodial or noncustodial parent demonstrates, and the tribunal enters a finding, that there is good cause not to require income withholding; or

(2) A signed written agreement is reached between the noncustodial and custodial parent, which provides for an alternative arrangement, and is reviewed and entered into the record by the tribunal.

(i) Where immediate income withholding is not in place, the income of the noncustodial parent shall become subject to withholding, at the earliest, on the date on which the payments which the noncustodial parent has failed to make under a Tribal support order are at least equal to the support payable for one month.

(j) The only basis for contesting a withholding is a mistake of fact, which for purposes of this paragraph, means an error in the amount of current or overdue support or in the identity of the alleged noncustodial parent.

(k) Tribal law must provide that the employer is subject to a fine to be determined under Tribal law for discharging a noncustodial parent from employment, refusing to employ, or taking disciplinary action against any noncustodial parent because of the withholding.

(l) To initiate income withholding, the Tribal IV-D agency must send the noncustodial parent's employer a notice using the standard Federal income withholding form.

(m) The Tribal IV-D agency must allocate withheld amounts across multiple withholding orders to ensure that in no case shall allocation result in a withholding for one of the support obligations not being implemented.

(n) The Tribal IV-D agency is responsible for receiving and processing income withholding orders from States, Tribes, and other entities, and ensuring orders are properly and promptly served on employers within the Tribe's jurisdiction.

§309.115 What procedures governing the distribution of child support must a Tribe or Tribal organization include in a Tribal IV-D plan?

A Tribe or Tribal organization must specify in its Tribal IV-D plan procedures for the distribution of child support collections in each Tribal IV-D case, in accordance with this section.

(a) *General Rule:* The Tribal IV-D agency must, in a timely manner:

(1) Apply collections first to satisfy current support obligations, except as provided in paragraph (e) of this section; and

(2) Pay all support collections to the family unless the family is currently receiving or formerly received assistance from the Tribal TANF program and there is an assignment of support rights to the Tribe's TANF agency, or the Tribal IV-D agency has received a request for assistance in collecting support on behalf of the family from a State or Tribal IV-D agency.

(b) *Current Receipt of Tribal TANF:* If the family is currently receiving assistance from the Tribal TANF program and has assigned support rights to the Tribe and:

(1) There is no request for assistance in collecting support on behalf of the family from a State or Tribal IV-D agency under §309.120 of this part, the Tribal IV-D agency may retain collections on behalf of the family, not to exceed the total amount of Tribal TANF paid to the family. Any remaining collections must be paid to the family.

(2) There is a request for assistance in collecting support on behalf of the family from a State or Tribal IV-D agency under §309.120, the Tribal IV-D agency may retain collections, not to exceed the total amount of Tribal TANF paid to the family. Except as provided in paragraph (f) of this section, the Tribal IV-D agency must send any remaining collections, as appropriate, to the requesting State IV-D agency for distribution under section 457 of the Act and 45 CFR 302.51 or 302.52, or to the requesting Tribal IV-D agency for distribution in accordance with this section.

(c) *Former Receipt of Tribal TANF:* If the family formerly received assistance from the Tribal TANF program and there is an assignment of support rights to the Tribe and:

(1) There is no request for assistance in collecting support from a State or Tribal IV-D agency under §309.120 of this part, the Tribal IV-D agency must pay current support and any arrearages owed to the family to the family and may then retain any excess collections, not to exceed the total amount of Tribal TANF paid to the family. Any remaining collections must be paid to the family.

(2) There is a request for assistance in collecting support from a State or Tribal IV-D agency under §309.120 of this part, the Tribal IV-D agency must send all support collected, as appropriate, to the requesting State IV-D agency for distribution under section 457 of the Act or 45 CFR 302.51 or 302.52, or to the requesting Tribal IV-D agency for distribution under this section, except as provided in paragraph (f) of this section.

(d) *Requests for Assistance from State or Tribal IV-D Agency:* If there is no assignment of support rights to the Tribe as a condition of receipt of Tribal TANF and the Tribal IV-D agency has received a request for assistance in collecting support on behalf of the family from a State or another Tribal IV-D agency under §309.120 of this part, the Tribal IV-D agency must send all support collected to either the State IV-D agency for distribution in accordance with section 457 of the Act and 45 CFR 302.51 and 302.52, or to the Tribal IV-D agency for distribution under this section, as appropriate, except as provided in paragraph (f) of this section.

(e) *Federal Income Tax Refund Offset Collections:* Any collections received based on Federal income tax refund offset under section 464 of the Act and distributed by the Tribal IV-D agency must be applied to satisfy child support arrearages.

(f) *Option to Contact Requesting Agency for Appropriate Distribution:* Rather than send collections to a State or another Tribal IV-D agency for distribution as required under §309.115 (b) (2), (c)(2) and (d), a Tribal IV-D agency may contact the requesting State IV-D agency to determine appropriate distribution under section 457 of the Act, or the other Tribal IV-D agency to determine appropriate distribution under this section, and distribute collections as directed by the other agency.

§309.120 What intergovernmental procedures must a Tribe or Tribal organization include in a Tribal IV-D plan?

A Tribe or Tribal organization must specify in its Tribal IV-D plan:

(a) That the Tribal IV-D agency will extend the full range of services available under its IV-D plan to respond to all requests from, and cooperate with, State and other Tribal IV-D agencies; and

(b) That the Tribe or Tribal organization will recognize child support orders issued by other Tribes and Tribal organizations, and by States, in accordance with the requirements under the Full Faith and Credit for Child Support Orders Act, 28 U.S.C. 1738B.

Subpart D—Tribal IV-D Program Funding

§309.125 On what basis is Federal funding of Tribal IV-D programs determined?

Federal funding of Tribal IV-D programs is based on information contained in the Tribal IV-D application. The application must include a proposed budget and a description of the nature and scope of the Tribal IV-D program and must give assurance that the program will be administered in conformity with applicable requirements of title IV-D of the Act, regulations contained in this part, and other official issuances of the Department that specifically state applicability to Tribal IV-D programs.

§309.130 How will Tribal IV-D programs be funded and what forms are required?

(a) *General mechanism.* (1) Tribes and Tribal organizations with approved Tribal plans under title IV-D will receive Federal grant funds in an amount equal to the percentage specified in paragraph (c) of this section of the total amount of approved and allowable expenditures under the plan for the administration of the Tribal child support enforcement program.

(2) Tribes and Tribal organizations eligible for grants of less than \$1 million per 12-month funding period will receive a single annual award. Tribes and Tribal organizations eligible for grants of \$1 million or more per 12-month funding period will receive four equal quarterly awards.

(b) *Financial Form Submittal Requirements.* Tribes and Tribal organizations receiving Federal funding under this part are required to submit the following financial forms, and such other forms as the Secretary may designate, to OCSE:

(1) Standard Form (SF) 424, "Application for Federal Assistance," to be submitted with the initial grant application for funding under §309.65(a) and (b) (60 days prior to the start of the funding period);

(2) SF 424A, "Budget Information—Non-Construction Programs," to be submitted annually, no later than August 1 (60 days prior to the start of the funding period) in accordance with §309.15(a)(2) of this part. With each submission, the following information must be included:

(i) A quarter-by-quarter estimate of expenditures for the funding period; and

(ii) Notification of whether the Tribe or Tribal organization is requesting funds for indirect costs and an election of a method to calculate estimated indirect costs; and

(iii) A narrative justification for each cost category on the form; and for funding under §309.65(a) either:

(iv) A statement certifying that the Tribe or Tribal organization has or will have the non-Federal share of program expenditures available, as required, or

(v) A request for a waiver of the non-Federal share in accordance with paragraph (e) of this section;

(3) SF 425, "Federal Financial Report," to be submitted quarterly within 30 days after the end of each of the first three quarters of the funding period and within 30 days after the end of each of the first three quarters of the liquidation period. The final report for each period is due within 90 days after the end of the fourth quarter of both the funding and the liquidation period; and

(4) Form OCSE-34, "Child Support Enforcement Program Quarterly Collection Report" must be submitted no later than 45 days following the end of each fiscal quarter. No revisions or adjustments of the financial reports submitted for any quarter of the fiscal year will be accepted by OCSE later than December 31, which is 3 months after the end of the fiscal year.

(c) *Federal share of program expenditures.* (1) During the period of start-up funding specified in §309.16, a Tribe or Tribal organization will receive Federal grant funds equal to 100 percent of approved and allowable expenditures made during that period. Federal start-up funds are limited to a total of \$500,000.

(2) During a 3-year period, beginning with the first day of the first quarter of the funding grant specified under §309.135(a)(2), a Tribe or Tribal organization will receive Federal grant funds equal to 90 percent of the total amount of approved and allowable expenditures made during that period for the administration of the Tribal child support enforcement program.

(3)(i) Except as provided in paragraph (c)(3)(ii) of this section, for all periods following the three-year period specified in paragraph (c)(2) of this section, a Tribe or Tribal organization will receive Federal grant funds equal to 80 percent of the total amount of approved and allowable expenditures made for the administration of the Tribal child support enforcement program.

(ii) A Tribe or Tribal organization will receive Federal grant funds equal to 90 percent of pre-approved costs of installing the Model Tribal IV-D System.

(d) *Non-Federal share of program expenditures.* Each Tribe or Tribal organization that operates a child support enforcement program under title IV-D and §309.65(a), unless the Secretary has granted a waiver pursuant to §309.130(e), must provide the non-Federal share of funding, equal to:

(1) 10 percent of approved and allowable expenditures during the 3-year period specified in paragraph (c)(2) of this section or;

(2) 20 percent of approved and allowable expenditures during the subsequent periods specified in paragraph (c)(3) of this section.

(3) The non-Federal share of program expenditures must be provided either with cash or with in-kind contributions and must meet the requirements found in 45 CFR 75.306.

(e) *Waiver of non-Federal share of program expenditures.* (1) Under certain circumstances, the Secretary may grant a temporary waiver of part or all of the non-Federal share of expenditures.

(i) If a Tribe or Tribal organization anticipates that it will be temporarily unable to contribute part or all of the non-Federal share of funding under paragraph (d) of this section, it must submit a written request that this requirement be temporarily waived. A request for a waiver of part or all of the non-Federal share must be sent to ACF, included with the submission of SF 424A, no later than 60 days prior to the start of the funding period for which the waiver is being requested, except as provided in paragraph (e)(1)(ii) of this section. An untimely or incomplete request will not be considered.

(ii) If, after the start of the funding period, an emergency situation such as a hurricane or flood occurs such that the grantee would need to request a waiver of the non-Federal costs, it may do so. The request for a waiver must be submitted in accordance with the procedures specified in paragraphs (e)(2), (3) and (4) of this section. Any waiver request other than one submitted with the initial application must be submitted as soon as the adverse effect of the emergency situation giving rise to the request is known to the grantee.

(2) A request for a waiver of part or all of the non-Federal share must include the following:

(i) A statement of the amount of the non-Federal share that the Tribe is requesting be waived;

(ii) A narrative statement describing the circumstances and justification for the waiver request;

(iii) Portions of the Tribal budget for the funding period sufficient to demonstrate that any funding shortfall is not limited to the Tribal IV-D program and that any uncommitted Tribal reserve funds are insufficient to meet the non-Federal funding requirement;

(iv) Copies of any additional financial documents in support of the request;

(v) A detailed description of the attempts made to secure the necessary funds and in-kind contributions from other sources and the results of those attempts, including copies of all relevant correspondence; and

(vi) Any other documentation or other information that the Secretary may require to make this determination.

(3) The Tribe or Tribal organization must demonstrate to the satisfaction of the Secretary that it temporarily lacks resources to provide the non-Federal share. In its request for a temporary waiver, the Tribe or Tribal organization must be able to demonstrate that it:

(i) Lacks sufficient resources to provide the required non-Federal share of costs;

(ii) Has made reasonable, but unsuccessful, efforts to obtain non-Federal share contributions; and

(iii) Has provided all required information requested by the Secretary.

(4) All statements in support of a waiver request must be supported by evidence including, but not limited to, a description of how the Tribe or Tribal organization's circumstances relate to its capacity to provide child support enforcement services. The following statements will be considered

insufficient to merit a waiver under this section without documentary evidence satisfactory to the Secretary:

(i) Funds have been committed to other budget items;

(ii) A high rate of unemployment;

(iii) A generally poor economic condition;

(iv) A lack of or a decline in revenue from gaming, fishing, timber, mineral rights and other similar revenue sources;

(v) A small or declining tax base; and

(vi) Little or no economic development.

(5)(i) If approved, a temporary waiver submitted under either paragraph (e)(1)(i) or (ii) of this section will expire on the last day of the funding period for which it was approved and is subject to review at any time during the funding period and may be revoked, if changing circumstances warrant.

(ii) Unless the Tribe receives a written approval of its waiver request, the funding requirements stated in paragraph (d) of this section remain in effect.

(iii) If the request for a waiver is denied, the denial is not subject to administrative appeal.

(f) *Increase in approved budget.* (1) A Tribe or Tribal organization may request an increase in the approved amount of its current budget by submitting a revised SF 424A to ACF and explaining why it needs the additional funds. The Tribe or Tribal organization should submit this request at least 60 days before additional funds are needed, to allow the Secretary adequate time to review the estimates and issue a revised grant award, if appropriate.

(2) If the change in Tribal IV-D budget estimate results from a change in the Tribal IV-D plan, the Tribe or Tribal organization must submit a plan amendment in accordance with §309.35(e) of this part, a revised SF 424 and a revised SF 424A with its request for additional funding. The effective date of a plan amendment may not be earlier than the first day of the fiscal quarter in which an approvable plan is submitted in accordance with §309.35(f) of this part. The Secretary must approve the plan amendment before approving any additional funding.

(3) Any approved increase in the Tribal IV-D budget will necessarily result in a proportional increase in the non-Federal share, unless a waiver of the non-Federal share has been granted.

(g) *Obtaining Federal funds.* Tribes and Tribal organizations will obtain Federal funds on a draw down basis from the Department's Payment Management System on a letter of credit system for payment of advances of Federal funds.

(h) *Grant administration requirements.* The provisions of part 75 of this title, establishing uniform administrative requirements and cost principles, shall apply to all grants made to Tribes and Tribal organizations under this part.

§309.135 What requirements apply to funding, obligating and liquidating Federal title IV-D grant funds?

(a) *Funding period*—(1) *Ongoing funding*. Federal title IV-D grant funds will be awarded to Tribes and Tribal organizations for use during a 12-month period equivalent to the Federal fiscal year of October 1 through September 30.

(2) *Initial grant*. A Tribe or Tribal organization may request that its initial IV-D grant be awarded for a funding period of less than one year (but at least six months) or more than one year (but not to exceed 17 months) to enable its program funding cycle to coincide with the funding period specified in paragraph (a)(1) of this section.

(b) *Obligation period*. A Tribe or Tribal organization must obligate its Federal title IV-D grant funds no later than the last day of the funding period for which they were awarded. Any of these funds remaining unobligated after that date must be returned to the Department.

(c) *Liquidation period*. A Tribe or Tribal organization must liquidate the Federal title IV-D grant funds obligated during the obligation period specified in paragraph (b) of this section no later than the last day of the 12-month period immediately following the obligation period. Any of these funds remaining unliquidated after that date must be returned to the Department.

(d) *Funding reductions*. As required under §309.130(b)(3), a Tribe or Tribal organization will report quarterly on Form SF 269A the amount of Federal title IV-D grant funds that have been obligated and liquidated and the amounts that remain unobligated and unliquidated at the end of each fiscal quarter during the obligation and liquidation periods. The Department will reduce the amount of the Tribe or Tribal organization's Federal title IV-D grant funds for the funding period by any amount reported as remaining unobligated on the report following the last day of the obligation period. The Department will further reduce the amount of the Tribe or Tribal organization's Federal title IV-D grant funds for the funding period by any amount reported as remaining unliquidated on the report following the last day of the liquidation period.

(e) *Extension requests*. A Tribe or Tribal organization may submit a written request for an extension of the deadline for liquidating Federal title IV-D grant funds. Such a request must be sent to ACF, to the attention of the Federal grants officer named on the most recent grant award. The request must be submitted as soon as it is clear that such an extension will be needed; any request received after the end of the liquidation period will not be considered. The request must include a detailed explanation of the extenuating circumstances or other reasons for the request and must state the date by which the Tribe anticipates all obligated funds will be liquidated. Unless the Tribe receives a written approval of its request, the deadline stated in paragraph (c) of this section remains in effect.
