IN-PERSON AND VIRTUAL INTERVIEWS

Hello, my name is XXXX and I am joined by my colleague XXX. We represent LinkVisum Consulting Group, who is conducting follow-up interviews on behalf of the Community Relations Services of the U.S. Department of Justice.

We appreciate your agreeing to interview regarding your participation in the CRS facilitated dialogue or training program (insert NAME of PROGRAM) held on XXXXXX. The purpose of the interview is to identify the impact and outcomes of (insert NAME OF PROGRAM) and make recommendations for how CRS can improve its services.

As you may know, the Community Relations Service, or CRS, is an agency of the U.S. Department of Justice. CRS serves as “America’s Peacemaker” for community groups, including schools, facing conflict around issues of race, color, national origin, and in prevention of and response to alleged hate crimes based on perceived or actual race, color, national origin, gender, gender identity, sexual orientation, religion, or disability. CRS provides facilitation, mediation, training, and consultation services to communities across the country.

Let me share information and expectations about the interview.

1. This interview is scheduled for one hour.
2. We will follow the questions in order as they appear on the survey that you received.
3. We will be taking notes.
4. Responses will not be attributed to a specific individual (you) — just the program attended and the position (for example, law enforcement officer, school principal, SPIRIT council member).
5. We would like to contact you if we need to follow upon a topic, for example, to ensure clarity or elaborate on an idea.

Do you have any questions and agree to proceed with the interview?

Let us get started.
