Public Burden Statement (1205-0521)

Persons are not required to respond to this collection of information unless it displays a currently valid OMB control number. Respondent's reply to these reporting requirements is mandatory (Workforce Innovation and Opportunity Act, Section 116). Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate to the Office of Policy Development and Research • U.S. Department of Labor • Room N-5641 • 200 Constitution Ave., NW, • Washington, DC • 20210.

Do NOT send the completed application to this address.

¹Participant information is based on data given at the point of entry into the program.

²Barriers to Employment are determined at the point of entry into the program.

³Credential Rate and Measurable Skill Gains do not apply to the Wagner-Peyser program.

¹Participant information is based on data given at time of enrollment.

Public Burden Statement (1205-0521)

Persons are not required to respond to this collection of information unless it displays a currently valid OMB control number. Respondent's reply to these reporting requirements is mandatory (Workforce Innovation and Opportunity Act, Section 116). Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate to the Office of Policy Development and Research • U.S. Department of Labor • Room N-5641 • 200 Constitution Ave., NW, • Washington, DC • 20210.

Do NOT send the completed application to this address.

 $^{^{2}\}mbox{Barriers}$ to Employment are determined at the point of entry into the program.

³This indicator also includes those youth participants, whether formula or discretionary, who entered into a training or education program.

⁴Credential Rate and Measurable Skill Gains do not apply to the Wagner-Peyser program.
