What is the beneficiary's highest level of education?

What is the beneficiary's major or primary field of study?

Use the beneficiary's degree transcripts to determine the primary field of study. **DO NOT** consider work experience to determine the beneficiary's major field of study.

They do not have a major or primary field of study.

What is the beneficiary's rate of pay per year?

The "rate of pay" is the salary or wages paid to the beneficiary. Salary or wages must be expressed in an annual full-time amount and do not include non-cash compensation or benefits. For example, an H-1B worker is to be paid \$6,500 per month for a 4-month period and also provided separately a health benefits package and transportation during the 4-month period. The yearly rate of pay if he or she were working for a full year would be 12 times the monthly rate, or \$78,000. This amount does not include health benefits or transportation costs. The figure \$78,000 should be entered on this form as the rate of pay.

What is the DOT Code for the position?

What is the NAICS Code for the business?

This is the North American Industry Classification System (NAICS) Code. [You can use this link to obtain the code number](#) from the U.S. Department of Commerce, Census Bureau.

Provide a 6-digit code. If your code has fewer than 6 digits, enter the code left to right and then add zeros in the remaining unoccupied boxes. For example, if your code sequence is 33466, you should enter it as 334660.
