

APPLICANT IMPACT SURVEY

Paperwork Burden Disclosure Notice

Public reporting burden for this data collection is estimated to average 7 minutes per response. The burden estimate includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and submitting this form. This collection of information is required to obtain or retain benefits. You are not required to respond to this collection of information unless a valid OMB control number is displayed in the upper right corner of this form. Send comments regarding the accuracy of the burden estimate and any suggestions for reducing the burden to: Information Collections Management, Department of Homeland Security, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472, Paperwork Reduction Project (1660-0017) NOTE: Do not send your completed form to this address.

Privacy Act Statement

The collection of this information is authorized by the Robert T. Stafford Disaster Relief and Emergency Assistance Act, §§ 402-403, 406-407, 417, 423, 427, 428, 502, and 705; 42 U.S.C. 5170a-b, 5172-73, 5184, 5189a, 5189e, 5189f, 5192, 5205; Title 44 Code of Federal Regulations (C.F.R.) § 206 Subpart G; and 2 C.F.R. § 200. This information is collected to provide assistance to eligible jurisdictions and organizations to facilitate the response to and recovery from a Presidentially declared disaster or emergency, or to provide assistance for hazard mitigation measures during the recovery process. The disclosure of information on this form is voluntary; however, failure to provide the requested information may delay or prevent the agency from receiving funds from FEMA's Public Assistance program.

Purpose and Applicability

Applicants complete this form to collect preliminary information regarding incident impacts. FEMA uses this information to assess the Applicant's incident impacts to identify resources needed to assist the Applicant. FEMA does not use this information to determine the level of funding it provides. For more information, please contact the State, local, Tribal, or Territorial emergency management office for additional information.

Recipients and Applicants should use PA Grants Portal to submit all documentation and information to FEMA. Questions are displayed in an intuitive manner to show the information and documentation needed based on answers provided.

Did the damage occur in an area identified in a climate adaptation plan?²⁰

- No
 Yes. Please describe:

¹⁹ (Help text) For information about funding for resilience opportunities please go to [Mitigate Disaster Damage with FEMA Public Assistance](#). Functionality: Question only triggered if the Applicant selects Infrastructure Restoration in the Impact Information section.

²⁰ (Help text) States and communities around the country have begun to prepare for the climate changes that are already underway. This planning process typically results in a document called a [climate] adaptation plan. Based on this information an adaptation plan can be developed for an organization to prepare and adapt its assets for changes in climate. There are various climate change adaptation frameworks available.
