Secure Tomorrow Series Participant Feedback Questionnaire

PRA Burden Statement: The public reporting burden to complete this information collection is estimated at 3 minutes per response, including the time completing and reviewing the collected information. The collection of this information is voluntary. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number and expiration date. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to DHS/CISA. Mail Stop 0608, 245 Murray Lane SW, Arlington, VA 20598. ATTN: PRA [1670-0027].

The Cybersecurity and Infrastructure Security Agency's (CISA) Secure Tomorrow Series is a strategic foresight capability that examines emerging and evolving risks that could significantly affect our nation's critical infrastructure in the next 5 to 20 years. To identify opportunities to improve our products and services, we ask that you please take a few minutes to complete this anonymous and voluntary survey. Completed questionnaires should be emailed back to the questionnaire sender. Thank you.
