**Appendix E – Renter focus groups questions**

- Consent
  - [after handing out or sending the information sheet] Are there any questions you have about the study? Do you consent to participating in an interview?
- General questions
  - How do you define recovery after a hurricane?
  - What are the main barriers to recovery?
- Focused question
  - What hurricanes have you gone through in the last 10 years? How did the hurricanes affect you personally?
  - What kind of housing did you have before the hurricane?
  - What were some challenges you faced in finding housing during recovery?
  - How long did it take you to recover and why?
    - What were your immediate needs 3 months after the hurricane?
    - What were your long term needs after the hurricane?
  - Did you receive assistance? If so, what kind, and from whom?
  - Was the assistance you received enough to go back to your normal life? Explain
  - Please share any other information or comments
