OMB Control Number: 2900-0668.

Type of Review: Extension of a currently approved collection.

Affected Public: Individuals and households.

Estimated Annual Burden: 30 hours.

Estimated Average Burden per Respondent: 15 minutes.

Frequency of Response: One time.

Abstract: A claimant’s eligibility for Pension is determined, in part, by countable family income and net worth. Any individual who has applied for, or receives, VA Pension or Parents’ Dependency and Indemnity

Compensation (DIC) must promptly notify the VA in writing of any change in entitlement factors. VBA uses Eligibility Verification Reports (EVRs) to receive income and net worth information from Pension and Parents DIC claimants and beneficiaries to evaluate eligibility for benefits. The reported information can result in increased or decreased benefits. Typically, the claimants and beneficiaries utilize the form to notify the VA of changes in income and net worth, though the forms could be used to reopen a claim for benefits in limited circumstances. This is a request for an extension of the EVR collections with no substantive changes.

Estimated Average Burden per Respondent: 30 minutes.

Frequency of Response: One time.

Estimated Number of Respondents: 69,000.

SUPPLEMENTARY INFORMATION:

Authority: 44 U.S.C. 3501–3521.

Title: Durable Power of Attorney for Health Care and Living Will, VA Form 10–0137.

OMB Control Number: 2900–0556.

Type of Review: Extension of a currently approved collection.

Abstract: Section 7331 of title 38, United States Code (U.S.C.), requires, in relevant part, that the Secretary of Veterans Affairs, upon the recommendation of the Under Secretary for Health, prescribe regulations to ensure, to the maximum extent practicable, that all Department of Veterans Affairs (VA) patient care be carried out only with the full and informed consent of the patient, or in appropriate cases, a representative thereof. Based on VA’s interpretation of this statute and our mandate in 38 U.S.C. 7301(b) to provide a complete medical and hospital service, we recognize that patients with decision-making capacity have the right to state their treatment preferences in a VA or other valid advance directive.

VA Form 10–0137, *VA Advance Directive: Durable Power of Attorney for Health Care and Living Will*, is the VA recognized legal document that permits VA patients to designate a health care agent and/or specify preferences for future health care. The VA Advance Directive is invoked if a patient becomes unable to make health care decisions for himself or herself. Use of the VA Advance Directive is specified in VHA Handbook 1004.02, *Advance Care Planning and Management of Advance Directives*. Veterans’ rights to designate a health care agent and specify health care preferences in advance are codified in 38 CFR 17.32. This regulation also obligates VA to recognize advance directives and to use the information contained therein when health care decisions must be made for a patient that has lost decision making capacity.

VA Form 10–0137 (both English and Spanish-English language versions) has a current OMB Paperwork Reduction Act (PRA) clearance under OMB Control
