Instructions

This form provides for the reporting of election supporting technology anomalies by election officials or manufacturers. This form is part of the EAC's Election Supporting Technology Evaluation Program's Quality Monitoring Program. The use of this form is voluntary for Election Officials, and mandatory for Election Supporting Technology Developers/Manufacturers. Information regarding its use can be found in the Election Supporting Technology Evaluation Program Manual.

This form is self-explanatory. Please direct any questions to ESTEP@eac.gov.

This information will be used solely to administer the EAC Election Supporting Technology Evaluation Program. This program is voluntary, however, individuals who wish to participate must meet the requirements of the Program. This information will be made public consistent with the requirements of the Freedom of Information Act, the Trade Secrets Act, and any other applicable Federal law or regulation. Public reporting burden for this collection of information is estimated to average about 2 hours for completion of this form. This estimate includes the time for reviewing the instructions, gathering information and completing the form. Send comments regarding this burden estimate to the Election Supporting Technology Evaluation Program Director, U.S. Election Assistance Commission, 633 3rd Street N.W., Suite 200, Washington, DC 20001. Notwithstanding any other provision of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to respond to, or comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.
