

BURDEN HOURS FOR PRODUCERS TO PROVIDE REQUIRED INFORMATION

August 24, 2024

The following table lists the burden hours FSA and RMA estimates it will take respondents to provide the required information in the ACRSI process. By using this process, producers should have a reduced reporting burden when filing their acreage report.

Task	Estimated Number of Agency Shared Respondents (Producers)	Estimated Number of Responses (Farms) per Respondent (Producer)	Estimated Total Annual Responses (Column B x C)	Estimated Average Time to Respond for each Farm	Estimated Total Burden Hours (Column D x E)
Acreage Reporting Information, downloaded from precision-ag or farm management system and submitting thru the Clearinghouse in the ACRSI process	500,000	1.5	750,000	15 minutes (0.25)	187,500
TOTAL					187,500
