Master Teacher of Invention and Intellectual Property Education Program Participant Survey

PTO/MTIP/001 OMB Control No. 0651-0077 Expiration Date: XX/XX/XXXX

## **PRA Statement of Burden**

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995, unless the information collection has a valid OMB Control Number. The OMB Control Number for this information collection is 0651-0077. Public burden for this survey is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the Office of the Chief Administrative Officer, United States Patent and Trademark Office, P.O. Box 1450, Alexandria, VA 22313-1450 or email InformationCollection@uspto.gov.

Welcome to the Master Teacher of Invention and Intellectual Property Education Program Participant Survey This brief survey is designed to gather feedback to enable us to design and present future workshops that best meet

educator needs and interests. The results will be viewed by the USPTO Office of Education and Outreach team to inform future Professional Development offerings and to analyze the impact of invention and intellectual property education on teachers and their students. Data analysis from this survey and others may be used for research purposes. Individual information will not be released or used for any purpose. If you have any questions about completing this survey, you may contact Joyce Ward, Director Office of Education at education@uspto.gov.

\* 1. Overall, how would you rate the USPTO MTIP program?

Excellent	Mildly Good
Very good	Not Good at All
Fairly Good	
* 2. How likely would you be to recom	mend the USPTO MTIP program to a colleague?
Definitely would	Probably would not
Probably would	Definitely would not
May or may not	

This PD was more useful than other professional	I don't have an opinion
developments I have participated in	I don't have an opinion because I have not participated in
This PD was about the same as the other PDs I have participated in	other PDs in the last three years.
This PD was less useful than other professional development that I have participated in	
* 4. I gained new information about intellectual prope	erty, innovation and STEM at the MTIP.
Strongly Agree	Disagree
Agree	Strongly Disagree
* 5. I learned useful strategies for introducing these	topic area to my students.
Strongly Agree	Disagree
Agree	Strongly Disagree
