OMB Control No. 0651-0077 Expiration Date: XX/XX/XXXX

## PRA Statement of Burden

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995, unless the information collection has a valid OMB Control Number. The OMB Control Number for this information collection is 0651-0077. Public burden for this survey is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the Office of the Chief Administrative Officer, United States Patent and Trademark Office, P.O. Box 1450, Alexandria, VA 22313-1450 or email InformationCollection@uspto.gov.

Welcome to the National Summer Teacher Institute on Innovation, STEM, and Intellectual Property

(NSTI) Alumni Feedback survey. This brief survey is designed to gather feedback to enable us to design and present future workshops that best meet educator needs and interests. The results will be viewed by the USPTO Office of

Education and Outreach team to inform future Professional Development offerings and to analyze the impact of invention and intellectual property education on teachers and their students. Data analysis from this survey and others may be used for research purposes. Individual information will not be released or used for any purpose. If you have any questions about completing this survey, you may contact

Joyce Ward, Director Office of Education at education@uspto.gov.
