

Thank you for visiting the Excel Tool for Thematic Analysis website and agreeing to provide feedback. The following questions will ask you about your experience with the Excel Tool for Thematic Analysis (referred to as the tool). Please provide your honest opinion, your responses are anonymous and we will use this information to make improvements to the tool and the website. For questions about how we are using the information collected in this survey and access to the data, please send an email to [textanalystool@cdc.gov](mailto:textanalystool@cdc.gov).

Do NOT include personal information in your responses. Personal Information is information that identifies you as an individual, including, but not limited to: your name, postal address, telephone number, email address, social security number, etc.
