

Early Childhood TTA Cross-System Evaluation Project Webinar and Resource Feedback Form

NOTE: This document includes a universe of questions. We may include all or a selection of items each time we ask participants to complete the form.

Thank you for [attending NAME OF EVENT on DATE/using NAME OF RESOURCE]!

We strive to improve the information and resources we provide. Please take a moment to tell us how we did by answering the questions below. This brief survey is voluntary, and all feedback will be kept private. To further protect your privacy, please refrain from including personally identifiable information in open-ended responses.

What is your primary ROLE?

- Federal Staff - Central Office
- Federal Staff - Regional Office
- State Head Start Collaboration Office
- National Centers
- Regional TTA Team / Specialists
- Other: (please specify) _____

How many YEARS have you been in your current role?

- Less Than 1 Year
- Over 1 Year: (please _____ Years specify)

How much do you agree with these statements?	Strongly Disagree	Disagree	Agree	Strongly Agree
The information [discussed during this event/presented in this resource] was relevant to my work.				
I learned something [during this event/from this resource] that I plan to use in my work.				
I would attend future Data Dialogues about TTA Survey findings.				
Participating in this Data Dialogue about TTA Survey findings will help me improve my work in planning and/or delivering TTA.				
<i>The next two questions ask about the previous webinars and resources that present findings from the TTA Survey that the Office of Head Start (OHS) has archived in HSES for use by TTA partners:</i>				

PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) STATEMENT OF PUBLIC BURDEN: The purpose of this information collection is to gather general feedback on webinars and resources about the Head Start Grantee Training and Technical Assistance Survey (TTA Survey). Public reporting burden for this collection of information is estimated to average 7 minutes per respondent, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This is a voluntary collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. The OMB # is 0970-0401 and the expiration date is 06/30/2024. If you have any comments on this collection of information, please contact Ann Rivera, ann.rivera@acf.hhs.gov.

Prior to [this event/accessing this resource] I looked at these TTA Survey resources.				
I plan to look more closely at findings from the TTA Survey [following this event/in the future].				
<i>The next two questions ask about the deidentified TTA Survey data that OHS has archived in HSES for use by TTA partners:</i>				
Prior to [this event/accessing this resource] I dug into these data.				
I plan to look more closely at these data [following this event/in the future].				

How much did [the event/resource] increase your knowledge of the topic(s) presented?

No Increase <input type="radio"/>	Small Increase <input type="radio"/>	Moderate Increase <input type="radio"/>	Large Increase <input type="radio"/>
--------------------------------------	---	--	---

How could this [event/resource] be more inclusive of or responsive to diverse audiences?

Please let us know whether you found the content presented in this [event/resource] to be too simple, too advanced, or about right.

Far too simple <input type="radio"/>	A bit too simple <input type="radio"/>	About right <input type="radio"/>	A bit too advanced <input type="radio"/>	Far too advanced <input type="radio"/>
---	---	--------------------------------------	---	---

What topics from the TTA Survey would you like to learn more about in the future?

We offer this [name of event/resource] and other resources drawing from the TTA Survey to support TTA planning and delivery. What future offerings (including future Data Dialogues) would be most helpful to support your use of TTA Survey findings in a way that can inform your work?
