THE PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) STATEMENT OF PUBLIC BURDEN: The purpose of this information collection is to allow ORR Federal Field Specialists to document site visit observations and interview responses for out-of-network providers. Public reporting burden for this collection of information is estimated to average 1.0 hour per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This is a mandatory collection of information (Homeland Security Act, 6 U.S.C. 279). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. If you have any comments on this collection of information please contact UCPolicy@acf.hhs.gov.

Out-of Network Site Visit Report

Task	Date Completed	Comments
------	----------------	----------

Tour Facility

Request and Review UAC case files (tip: the purpose of the file review is to ensure they receive, program orientation, initial intake and assessment, weekly calls, up to date treatment plan, follow up with psych doc or NP, weekly meetings with clinician and cm, weekly or daily group therapy and other activities, behavioral reports, access to religious services, visits, any grievances filed etc)

Review Phone Logs

(tip: Are they getting weekly calls with advocates, sponsor, attorney, ORR CM etc)

Review CM and Clinical Logs

(tip: Are they meeting weekly with CM and Clinicians to discuss treatment plans and goals)

Review Medical notes or concerns that should be known to all relevant case managers' clinicians, attorneys, and FFS (tip any special issues that our ORR medical team and HQ should be aware of)

Educational Assessment Completed?

UAC currently school? How many hours of education does their state licensing require

Ensure that the UAC's NOP is updated within the required timeframe and that the case manager has carefully reviewed it, along with the minor's rights, with the UAC.

Ensure all information contained in the OON providers case files have been provided to ORR Assigned Program

Anticipated Discharge Date

Interview CM/Clinician/Treatment Team

(Staff Case with OON Treatment Team to discuss child's progress, goals and objectives, anticipated discharge dates, barriers. Provide any technical advice as it relates to ORR)

Confirm with ORR CM that they have maintained weekly contact with the OON? Document any challenges or concerns

Review UAC Portal to verify all documents from OON Placement have been received and are uploaded

Verify OON placement maintains an active state license and has no current restrictions

Any open licensing investigations that involves ORR kids? If yes explain

Are there OON policies or practices that may impact existing court orders, or federal statutes (refused phone calls, refused visits, punitive consequences etc)

Review OON Placements daily schedule for the minor

Interview UAC
