

Instrument 1: Screening Questionnaire

Thank you for your interest in the Supporting and Strengthening the Home Visiting Workforce (SAS-HV) project. Please complete this screening questionnaire to help us confirm your eligibility to participate in the project. The questionnaire includes questions about you, your home visiting program, and your experience with reflective supervision in the home visiting context.

Your participation in this questionnaire is voluntary. We encourage you to answer all the questions so we can better assess your eligibility. Completing and submitting this questionnaire means that you consent us to use your answers to determine your eligibility to participate in the project.

If you need any assistance or experience any technical problems with the questionnaire, please contact Mariel Sparr at sparr@jbassoc.com
