

JumpStart Questions for CHC Survey

The following module seeks to assess the use of the American Heart Association (AHA)/American Medical Association (AMA) JumpStart curriculum for Self-Measured Blood Pressure Monitoring by participating NHCI health centers. Questions will cover the following topics:

- *Access and use of the JumpStart curriculum for SMBP programs;*
- *Usefulness and relevancy of the JumpStart curriculum for SMBP programs; and*
- *Helpfulness of the JumpStart curriculum in SMBP implementation and adoption of best practices*

We recommend that survey respondents include staff who have logged onto the JumpStart curriculum in responding to and reviewing these questions.
