Dealers and Sellers

New for 2024, clean energy tax credits allow buyers to transfer credits to dealers at the time of sale. To be eligible, you must meet time-of-sale reporting requirements and be fully registered for Advance Payments.

Registrations

To report clean vehicle sales to the IRS, please register below:

Time-of-sale Reporting

Register for time-of-sale reporting. It only takes about 15 minutes. Then, at sale, submit a time-of-sale report and get copies for both you and the buyer.

- State-licensed dealers can submit time-of-sale reports for new clean vehicles (IRC 30D) and used clean vehicles (25E)
- Sellers without a state license can submit time-of-sale reports for new clean vehicles (IRC 30D)

Advance Payments (state-licensed dealers only)

Register to receive advanced payments. This allows buyers to transfer their clean vehicle credits to state-licensed dealers at time of purchase.
