**TITLE OF INFORMATION COLLECTION:** FF-104-FY-22-252 Release and Certification (Individual/Household) -Partial Payment (English) & FF-104-FY-22-252-A Release and Certification (Individual/Household) -Partial Payment (Spanish)

**PURPOSE:** Use of FEMA Form FF-104-FY-22-252 Release and Certification Form (Individual/Household) - Partial Payment serves to expedite payments where it is appropriate, while informing the claimant that partial payment cannot be appealed, and acceptance of a partial payment does not affect the claimants’ ability to pursue an appeal, arbitration, or other options under the Act. The information requested includes Claimant information (name, contact information including phone number, current mailing and damaged property address and claim number); payment information and identity verification (social security number, or other form of identification, bank institution, bank routing number, and bank account number); final payment amount.

**DESCRIPTION OF RESPONDENTS:** The target group for this information collection comprises individuals, households, and entities directly affected by a fire. These respondents include those who have experienced the impact of fire on their homes, livelihoods, and over-all well-being. The aim is to engage with those who have first-hand knowledge of the challenges, losses, and needs resulting from a fire.

Key Characteristics of the Respondents:

1. Residential Impact: Individuals who have seen their homes directly impacted by the fire, whether through damage, destruction, or evacuation.
2. Economic Impact: Households that may have experienced economic setbacks due to the fire, including disruptions to employment, business operations, or income sources.
3. Community Engagement: Individuals actively involved in the affected community, fostering a community-centric approach to understanding the collective impact and needs.
4. Varying Demographics: Respondents may represent diverse demographic profiles, including age, income levels, family structures, and cultural backgrounds.
5. Multi-Household Dynamics: Understanding the dynamics of households, especially those with varying family structures or shared living arrangements, to tailor assistance and support accordingly.
6. Specific Needs: Identification of specific needs arising from the fire, such as immediate housing, financial support, healthcare, or emotional well-being.
7. Geographic Location: Recognizing the geographical dispersion of impacted individuals and households to ensure a comprehensive understanding of the varied challenges faced.
