NAS Data Release Exception: _____

If you require additional space to provide your answers, write them on a separate sheet preceded by the item number and attach them to this request.

Instructions for FAA Form 1200-5

1. Enter the complete registered name of the business or organization associated with the request for NAS data.
2. Enter full name of Point of Contact (POC) with delegated authority from requesting entity.
3. Enter POC's full phone number and email address.
4. Enter alternate POC's position, role, or duty title associated with the requesting entity.
5. Select either non-sensitive or sensitive NAS data. Reference definitions in FAA Orders 1200.22 and 1600.75. **Note:** For the purposes of this form, the term "sensitive NAS data" means NAS data containing one or more types of Sensitive Unclassified Information, which includes aviation security, homeland security, and protected critical infrastructure information. Non-sensitive NAS data stipulates all data elements associated with sensitive NAS data are removed.
6. For Item 8a, indicate if this request is directly associated with a Federal agency or State, Local, Tribal, or Territorial (SLTT) government entity, if applicable. If "Yes" for 8a, identify the specific Federal or SLTT government entity in 8b.
7. Enter the requested start date to receive NAS data. *Note: Depending on the type of NAS data requested and purpose, processing timelines could range from 4 month to 24 months (estimated).*
8. Requesters must obtain FAA sponsorship for any new request for NAS data, to include non-sensitive data not available from an existing external release system or sensitive data for limited duration release for test purposes. Include POC name, phone number, and email for sponsor. *Note: Failure to obtain and identify required FAA sponsorship constitutes an incomplete request and could delay processing.*
9. The FAA seeks to establish your "need to know" for the type and category of data in your request. Describe the type of organization or business associated with this request and the specific purpose and intent that requires this requested NAS data. Indicate whether your request is for weather data, radar data (specify facility or facilities), ADS-B data, etc. Attach any additional sheets required to describe the purpose and rationale for the NAS data and include any Concept of Operations or any other supporting documents which may help to justify the requestor's "need to know."
10. List full name and country of citizenship of non-U.S. associate and briefly describe their duties associated with the NAS data request. Indicate "N/A" if not applicable.
