## **REQUEST FOR HARDSHIP DETERMINATION**

The Request for Hardship Determination form is used to determine whether the veteran's projected income for the current year will be substantially below the VA means test threshold due to a loss of income or increase in allowable deductible expenses. Veterans determined to have a financial hardship will be exempt from payment of hospital and medical care copays and qualify for enrollment in Priority Group 5, unless otherwise eligible for enrollment in a higher priority, from the date of request through the last day of the same calendar year.
