General Description of Collection: Part 354 of the FDIC regulations (part 354) establishes filing requirements for industrial banks or industrial loan companies (ILCs) and companies that are not subject to Federal consolidated supervision by the Federal Reserve Board but control an industrial bank or an ILC (covered company). Specifically, part 354 requires any covered company and industrial bank or ILC subsidiary of a covered company to enter into one or more written agreements with the FDIC. However, the requirements under part 354 do not apply to any industrial bank subsidiaries of covered companies that were subsidiaries of covered companies prior to the effective date of part 354—April 1, 2021. The requirements under part 354 give rise to this information collection.

The total estimated annual burden for this information collection is 401 hours, which is a decrease of 56 hours from the 2021 information collection submission (457 hours). This decrease is a result of a reduction in the estimated annual number of respondents.

Request for Comment: Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the FDIC’s functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collection, including the validity of the methodology and assumptions used; (c) ways to enhance
