This Questionnaire Must Be Returned Within 90 Days for Your Disability Annuity to Continue

You were approved for disability retirement on the basis of the documentation you provided. The retirement system requires a periodic check of disability annuitants to determine if the condition on which they retired continues to be disabling. The information listed below is needed to comply with that requirement. The Office of Personnel Management (OPM) will not pay for any expenses that you may incur in acquiring this documentation.

In order for us to evaluate whether or not you are entitled to continuation of disability annuity payments, please have your physician or treating medical facility provide the following information *on the physician's or facility's letterhead signed by the treating physician*: added "or other licensed health practitioner"

1. Current clinical findings from a recent physical examination, including the results of any diagnostic tests that have been performed.
2. An update since your retirement of the specific medical condition(s) which required you to retire. This should include a current prognosis.
3. An assessment, including a current prognosis, of the specific medical condition(s) and plans for future treatment.
4. A clinical assessment of risk of injury or hazard to self and others which would arise from the performance of essential duties of a position similar to the one from which you retired.

Also, answer questions 1, 2, and 3 on the reverse side of this form, sign Item 4 and mail the documents to the above address. Failure to answer all questions may delay processing of your case. If the information shows that you are still disabled for your former position, your annuity will be continued without further correspondence from us. If our review requires additional information, you will be notified.

If we do not receive this questionnaire and the requested medical documentation within 90 days, we may suspend your annuity payments until the requested information is received. If you are unable to respond within the time limitation or if we can be of further assistance to you, please contact the *Medical Call-Up Review Team* at 724-794-7799; hearing impaired users should utilize the Federal Relay Service by dialing 711 or their local communications provider to reach a Communications Assistant.
