Dear Mrs. Dickerson,

The Railroad Retirement Board (RRB) requests to make non-substantive and minor cosmetic changes to a currently approved collection (3220-0025), RUIA Investigations and Continuing Entitlement.

We would like to modify ID-51, Request for Employment Information. The revised letter change will include adding a barcode to USTAR's State Wage Match Forms.

The RRB is aware that this clearance expires on April 30, 2024, and we plan to follow PRA guidelines to obtain approval; however, we are unable to delay this change as it is vital to the RRB's mission of administering comprehensive retirement-survivor and unemployment-sickness benefit to the nation's railroad workers and their families. In the spirit of transparency, we want to inform you of this change so that when we do submit the clearance to you for approval, this change is documented into ROCIS to avoid any confusion when the clearance comes up for renewal.

Hopefully, OMB approves the request so that we can ensure railroad applicant receive benefits in a timely manner.

Please contact me at 312-751-4826 if you have any questions.

Sincerely,

Brian D. Foster
Clearance Officer
