

17Ad–22(e)(18)(iv)(C).¹⁸ Therefore, the Clearing Agencies believe these proposed changes are consistent with the requirements of Rule 17Ad–22(e)(18)(iv)(C).¹⁹

(B) Clearing Agency's Statement on Burden on Competition

The Clearing Agencies do not believe that the proposed changes to the Framework to describe the solicitation of participant and stakeholder views, and the annual review of the GSD's access models, would have any impact on competition. The proposed changes would describe an existing process by which the Clearing Agencies engage with their participants and other stakeholders regularly in connection with their evaluation of proposals and their assessment of existing practices. The proposed change would also describe how it would use various methods for soliciting feedback from different groups, which will facilitate its ability to solicit a wide range of views from different types of firms. Further, as described above, the goal of the annual assessment and review of GSD's access models is to ensure FICC offers appropriate means to facilitate access to GSD's clearing services, including those of indirect participants. By contributing to the development of access models that are designed to facilitate access to GSD's clearing services by a wider variety of market participants, the annual assessment and review of GSD's access models in the Framework would promote competition in the markets where GSD operates.

The Clearing Agencies do not believe the proposed rule changes to make conforming and clean up changes to the Framework would impact competition. These changes would ensure the clarity and accuracy of the descriptions of risk management functions in the Framework. They would not affect participants' rights and obligations. As such, the Clearing Agencies believe the proposal to make conforming and clean up changes would not have any impact on competition.

(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Clearing Agencies have not received or solicited any written comments relating to this proposal. If any written comments are received, they will be publicly filed as an Exhibit 2 to this filing, as required by Form 19b–4 and the General Instructions thereto.

Persons submitting comments are cautioned that, according to Section IV (Solicitation of Comments) of the Exhibit 1A in the General Instructions to Form 19b–4, the Commission does not edit personal identifying information from comment submissions. Commenters should submit only information that they wish to make available publicly, including their name, email address, and any other identifying information.

All prospective commenters should follow the Commission's instructions on how to submit comments, available at www.sec.gov/regulatory-actions/how-to-submit-comments. General questions regarding the rule filing process or logistical questions regarding this filing should be directed to the Main Office of the Commission's Division of Trading and Markets at tradingandmarkets@sec.gov or 202–551–5777.

The Clearing Agencies reserve the right not to respond to any comments received.

Proposed Collection; Comment Request; Extension: Rule 18a–7

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission

(“Commission”) is soliciting comments on the existing collection of information provided for in Rule 18a–7 (17 CFR 240.18a–7), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Rule 18a–7 establishes reporting requirements applicable to stand-alone security-based swap dealers (“SBSDs”), stand-alone major security-based swap participants (“MSBSPs”), bank SBSDs, and bank MSBSPs. Rule 18a–7 is modeled on Exchange Act Rule 17a–5, which applies to broker-dealers, but Rule 18a–7 does not include a parallel requirement for every requirement in Rule 17a–5 because some of the requirements in Rule 17a–5 relate to activities that are not expected or permitted of SBSDs and MSBSPs.

Under Rule 18a–7, stand-alone SBSDs and stand-alone MSBSPs are required to file the FOCUS Report Part II and the annual reports, while bank SBSDs and bank MSBSPs are required to file the FOCUS Report Part IIC. Stand-alone SBSDs and stand-alone MSBSPs are required to file the FOCUS Report Part II on a monthly basis, whereas bank SBSDs and bank MSBSPs are required to file FOCUS Report Part IIC on a quarterly basis. Moreover, under Rule 18a–7 stand-alone SBSDs and stand-alone MSBSPs are required to make available to customers an audited statement of financial condition with appropriate notes on their public website.

The Commission estimates that the total hour burden under Rule 18a–7 is approximately 2,796 hours per year, and the total cost burden is approximately \$2,424,016 per year.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted by May 28, 2024.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information

unless it displays a currently valid OMB control number.

Please direct your written comments to: David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o John Pezzullo, 100 F Street NE, Washington, DC 20549, or send an email to: PRA_Mailbox@sec.gov.

Dated: March 21, 2024.
