

Federal Financial Report Instructions

Report Submissions

- 1) Recipients will be instructed by Federal agencies to submit the *Federal Financial Report (FFR)* to a single location, except when an automated payment management reporting system is utilized. In this case, a second submission location may be required by the agency.
- 2) If recipients need more space to support their *FFRs*, or *FFR Attachments*, they should provide supplemental pages. These additional pages must indicate the following information at the top of each page: Federal grant or other identifying number (if reporting on a single award), recipient organization, Unique Entity Identifier (UEI) number, Employer Identification Number (EIN), and period covered by the report.

Reporting Requirements

- 1) The submission of interim *FFRs* will be on a quarterly, semi-annual, or annual basis, as directed by the Federal agency. A final *FFR* shall be submitted at the completion of the award agreement. The following reporting period end dates shall be used for interim reports: 3/31, 6/30, 9/30, or 12/31. For final *FFRs*, the reporting period end date shall be the end date of the project or grant period.
- 2) Quarterly and semi-annual interim reports shall be submitted no later than 30 days after the end of each reporting period. Annual reports shall be submitted no later than 90 days after the end of each reporting period. Final reports shall be submitted no later than 90 days after the project or grant period end date.

Note: For single award reporting:

- 1) Federal agencies may require both cash management information on lines 10(a) through 10(c) and financial status information lines 10(d) through 10(o).
