 Fax: 1-855-270-2720  
 E-mail: NASSRFONPR@nass.usda.gov

In cooperation with the Kansas Wheat Commission, we are conducting this survey to provide information on the varieties of wheat seeded in Kansas during the fall of 2022. Response to this survey is not required by law, but your help is needed to make the estimates as accurate as possible. Your individual response will be kept confidential.

The information you provide will be used for statistical purposes only. Your responses will be kept confidential and any person who willfully discloses ANY identifiable information about you or your operation is subject to a jail term, a fine, or both. This survey is conducted in accordance with the Confidential Information Protection and Statistical Efficiency Act of 2018, Title III of Pub. L. No. 115-435, codified in 44 U.S.C. Ch. 35 and other applicable Federal laws. For more information on how we protect your information please visit: <https://www.nass.usda.gov/confidentiality>. Response to this survey is **voluntary**.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB number is 0535-0002. The time required to complete this information collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

What was or will be the total Winter Wheat acres planted in the fall of 2022? ..... 7600

Please enter the acreage of each variety **you have seeded or will seed for all purposes** on the farm you operate. If your variety is not shown, please enter the name of each variety under "Other" and report the corresponding acreage.
