

## Appendix D. Household Income Statement Template

This information is being collected from households to confirm the household income eligibility of children and adults that receive free or reduced-price meals through the Child and Adult Care Food Program (CACFP). Section 17 of the National School Lunch Act, as amended (42 U.S.C. 1766), authorizes the CACFP. This collection is required to obtain or retain benefits and the Food and Nutrition Service uses the information collected to enable institutions participating in the CACFP to claim the reimbursement to which they are entitled by law. The information collected is essential to conduct reviews that determine whether or not institutions are observing the requirements of the Program established by regulations and statute. In addition, the information collection is necessary for administering agencies to monitor these operations to ensure compliance with legislative and regulatory requirements. Under the Privacy Act of 1974, any personally identifying information obtained will be kept private to the extent of the law. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid Office of Management and Budget (OMB) control number. The valid OMB control number for this information collection is 0584-0055. The time required to complete this information collection is estimated to average approximately 5 minutes (0.0835 hours) per response. The burden consists of the time it takes for households to complete their application. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Services, Office of Policy Support, 1320 Braddock Place, Alexandria, VA 22314, ATTN: PRA (0584-0055).
