[SCRIPT 1 for in-person data
collection]
[jurisdictional greeting], my
name is
_____, and I
am working on behalf of the
National Oceanic and
Atmospheric Administration
(NOAA). NOAA's National
Coral Reef Monitoring
Program is conducting
surveys with residents of
[jurisdiction] to learn how
people interact with coral
reefs and how perceptions of
coral reef conditions in
[jurisdiction] } are changing

over time. The information
collected will be used to help
management better serve
local communities. Your
household was randomly
selected to participate in this
survey.

**S1. Just one person is
needed to complete this
survey. May I please speak
to the person 18 or older in
your household who has had
the most recent birthday?**

(Note: If selected person is
not available, choose the
next eligible person
available).

answered the
door is eligible

→ Proceed with
"not available"
protocol, thank
the current
individual, and
end survey
- The person
declines →
Proceed with
NR1

[SCRIPT 2 for in-person data
collection]
The survey should take no
more than 20 minutes to
complete. Your participation

is voluntary, but is very
important to the success of
this study. You may skip any
of the questions or stop the
survey at any time. All
information you provide is
confidential. Your name and
address will never be
identified or associated with
the results.

**S2. Are you willing to
participate in this survey?**

- Yes (person
agreed to be
interviewed) →
Continue to S3
- No (person did
not agree to be
interviewed) →
Proceed with
nonresponse

**S3: On average, how many
months per year do you live
in [jurisdiction]?**

- Fewer than 3
months a year →
End survey
- 3 to 6 months a
year → Start
survey
- More than 6
months a year →
Start survey

**NR1. Are there any
particular reasons why you
would prefer not to
participate in the survey
that**

**you would be willing to
share?**

- Yes → Allow
respondent to
comment and

record reasons in NR2

- No → Thank the individual and end survey

NR2. [For Interviewer] Did the respondent make any of the following comments, whether or not these exact words were used? (Check all that apply)
