Re: [Program Year] DP20-2002 CRCCP Annual Awardee Survey

The [Program Year] CRCCP Annual Awardee Survey is here!

CDC is conducting a survey to better understand how awardees are implementing the Colorectal Cancer Control Program (CRCCP). The survey will provide CDC information about activities conducted during DP20-2002 [program year] by CRCCP awardees. Survey results will be used to improve the program. A report summarizing results will be generated for each awardee.

Here are some details about the survey you need to know:

1. The person responsible for day-to-day management of the program should complete this survey.
2. The survey covers DP20-2002 [program year, start and end dates]
3. The survey should take approximately 15 minutes to complete.
4. Your responses will be kept in a secure manner.
5. Please review the instructions before starting the survey.
