ESTA PRIVACY ACT STATEMENT

Pursuant to 5 U.S.C. § 552a(e)(3), this Privacy Act Statement serves to inform you of the following concerning the collection of the information on this form.

AUTHORITY:

Collection of the information solicited on this form is authorized by Title 8 of the United States Code, whether or not codified. Specifically, Section 711 "Modernization of the Visa Waiver Program" of the "Implementing Recommendations of the 9/11 Commission Act of 2007" ("9/11 Act") (110 PL 53) modifies the visa waiver program under section 217 of the Immigration and Nationality Act (8 U.S.C. 1187) to authorize this collection of information. The Secretary of Homeland Security is authorized to create the electronic travel authorization system and require aliens under the program to "electronically provide to the system biographical information and such other information as the Secretary of Homeland Security shall determine necessary." (8 U.S.C. 1187(a)(11) as amended by 110 PL 53 sec. 711(d)). Collection of this information is mandatory for people from Visa Waiver Program countries who wish to travel to the United States.

PURPOSE:

The primary purpose for soliciting this information is "to determine the eligibility of, and whether there exists a law enforcement or security risk in permitting, the alien to travel to the United States. Upon review of such biographical information, the Secretary of Homeland Security shall determine whether the alien is eligible to travel to the United States under the program." 8 U.S.C. 1187(a)(11).

ROUTINE USES:

The information solicited on this form may be made available as a "routine use" to other government agencies to assist the Department of Homeland Security in making determinations about the alien's eligibility to travel without a visa and for law enforcement and administration purposes. The information may be made available to the Department of State in the event the application is not approved, so that a determination can be made for issuance of a visa. Finally, the information may be made available to the carrier for verification of authorization to travel. A complete list of the routine uses can be found in the system of records notice associated with this form, "Department of Homeland Security/U.S. Customs and Border Protection - DHS/CBP-009 Electronic System for Travel Authorization (ESTA) System of Records." The Department's system of records notices can be found on the Department's website at <http://www.dhs.gov/system-records-notices-soms>

CONSEQUENCES OF FAILURE TO PROVIDE INFORMATION:

Providing this information is not legally required to gain admission to the United States. However, aliens traveling without an electronic travel authorization will require a visa to gain admission to the United States.

WHAT ARE YOUR RIGHTS UNDER THE PRIVACY ACT OF 1974?

The Privacy Act of 1974 (5 U.S.C. 552a) protects the personal information the federal government keeps on United States citizens and legal permanent residents (LPRs) in "systems of records" (SOR). A SOR is a group of records that includes personal information an agency controls that is retrieved by the individual's name or some other personal identifier. The Privacy Act regulates how the government can use, disclose, share, provide access to, and maintain the personal information that it collects. DHS, as a matter of policy, extends the administrative rights of the Privacy Act, including the rights of access and amendment, to aliens when dealing with mixed-use systems (systems housing information about both U.S. citizens/LPRs and foreign nationals). Not all information collected online is covered by the Privacy Act. Some of the Act's major provisions require agencies to:

- Publish a SOR Notice in the Federal Register explaining the existence, character, and uses of a new or revised SOR;
- Keep information about citizens and LPRs accurate, relevant, timely, and complete to assure fairness in dealing with you; and
- Allow citizens and LPRs to, upon request, access and review their information held in a SOR.

The Electronic System for Travel Authorization performs checks against law enforcement databases. All travelers seeking admission to the United States under the Visa Waiver Program are required to obtain an electronic travel authorization using this system prior to being granted boarding.

If your electronic travel authorization application is approved, it establishes that you are eligible to travel, but does not establish that you are admissible to the United States under the Visa Waiver Program. Upon arrival to the United States, you will be inspected by a U.S. Customs and Border Protection Officer at a port of entry who may determine that you are inadmissible under the Visa Waiver Program or for any reason under United States law.

A determination that you are not eligible for electronic travel authorization does not preclude you from applying for a visa to travel to the United States.

All information provided by you, or on your behalf by a designated third party, must be true and correct. An electronic travel authorization may be revoked at any time and for any reason, such as new information influencing eligibility. You may be subject to administrative or criminal penalties if you knowingly and willfully make a materially false, fictitious, or fraudulent statement or representation in an electronic travel authorization application submitted by you or on your behalf.

WARNING: If upon application for admission to the United States at a port of entry you are admitted under the Visa Waiver Program (VWP) by a US Customs and Border Protection Officer, you may not accept unauthorized employment; or attend school; or represent the foreign information media during your visit under the program. You may not apply for: 1) a change of nonimmigrant status, 2) an extension of stay, or 3) adjustment of status to temporary or permanent resident, unless eligible under section 245(c)(4) of the Immigration and Nationality Act. Violation of these terms will subject you to REMOVAL.

Please indicate you have read and understand the information provided above:

- ☐ Yes, I have read and understand the information and agree to these terms.

Electronic System for Travel Authorization

WHAT IS THE ELECTRONIC SYSTEM FOR TRAVEL AUTHORIZATION (ESTA)?

To strengthen the security of travel to the United States under the Visa Waiver Program, requirements to travel visa-free have been enhanced. Nationals of Visa Waiver Program countries will still be eligible to travel without a visa but will have to obtain an approved travel authorization prior to their travel to the United States.

The Department of Homeland Security and the United States Customs and Border Protection have provided a secure public Web site with an automated form for you, or a third party, to complete in order to apply for a travel authorization. Once you enter the required biographic, travel, and payment information on the secure Web site, your application is processed by the system to determine if you are eligible to travel to the United States under the Visa Waiver Program without a visa. The system will provide you with an automated response, and prior to boarding, a carrier will electronically verify with the United States Customs and Border Protection that you have an approved travel authorization on file.

The Electronic System for Travel Authorization (ESTA) is an automated system used to determine the eligibility of visitors to travel to the United States under the Visa Waiver Program (VWP) and whether such travel poses any law enforcement or security risk.

ESTA approval authorizes a traveler to board a carrier for travel to the United States under the VWP. Private carriers must be a signatory visa waiver program carrier. [See list of Signatory Carriers](#). CBP recommends that you apply for ESTA at the time you book your travel, but no less than 72 hours prior to boarding.

ESTA is not a visa. It does not meet the legal requirements to serve in lieu of a U.S. visa when a visa is required. Travelers that possess a valid U.S. visa may travel to the United States on that visa for the purpose it was issued. Travelers traveling on valid visas are not required to apply for an ESTA. In the same way that a valid visa does not guarantee admission to the United States, an approved ESTA is not a guarantee of admission to the United States.

ESTA became mandatory January 12, 2009. VWP applicants are required to complete a blue Customs declaration upon arrival in the U.S. whether or not they have an ESTA authorization. VWP travelers are no longer required to complete the green I-94W card.

Approved ESTA applications are valid for a period of two years, or until the passport expires, whichever comes first, and multiple trips to the United States without the traveler having to re-apply for another ESTA. When traveling to the U.S. with the approved ESTA, you may only stay for up to 90 days at a time - and there should be a reasonable amount of time between visits so that the CBP Officer does not think you are trying to live here. There is no set requirement for how long you must wait between visits.

Travelers whose ESTA applications are approved, but whose passports will expire in less than two years, will receive an ESTA valid until the passport's expiration date.

A new ESTA authorization is required if:

- You are issued a new passport,
- You change your name (first and/or last)
- You change your sex
- Your country of citizenship changes
- Your circumstances change, e.g., you are convicted of a crime of moral turpitude or you develop a contagious disease. Such a change may require you to get a visa to travel to the U.S. You must re-apply and your application must reflect the change in your circumstances or you may be denied entry upon arrival in the United States. More information about other ineligibilities can be found on the [U.S. State Department website](#)

DHS recommends that you apply for ESTA authorization as soon as you know you will be traveling to the United States under the VWP. If your ESTA expires while in the U.S., it will not affect your departure.

Beginning September 8, 2010, there is a fee required by the Travel Promotion Act of 2009 (Section 9 of the United States Capitol Police Administrative Technical Corrections Act of 2009, Pub. L. No. 111-145). The Further Consolidated Appropriations Act, 2020 (PL 116-94), updated ESTA application fee to \$21. The fee is comprised of two parts:

- Processing Charge – All applicants requesting an electronic travel authorization are charged for the processing of the application. The fee is US \$4.00.
- Authorization charge – If your application is approved and you receive authorization to travel to the United States under the Visa Waiver Program, an additional US \$17.00 will be added to your payment method. If your electronic travel authorization is denied, you are only charged for the processing of your application.

CBP is not responsible for any third party fees for the transaction.

Note: It is important to PRINT a copy of the document for your records. The printout is not required upon arrival into the United States, as the officers have the information electronically.

The Travel Promotion Act of 2009

On March 4, 2010, President Obama signed into law the Travel Promotion Act (TPA) of 2009, Pub. L. No. 111-145. The Act directs the Secretary of Homeland Security to establish a fee for the use of the ESTA system. The Further Consolidated Appropriations Act, 2020 (PL 116-94), updated ESTA application fee to \$21 comprised of \$17.00 for each VWP applicant receiving authorization to travel to the United States and \$4.00 for the processing of the ESTA application. Applicants who are denied authorization to travel to the U.S. under the VWP will only be charged \$4.00. The fee may only be paid by credit card or PayPal. Applicants may save the application data and return to the application at a later date to enter the payment information. However, the application will not be submitted for processing until all payment information is completed.

WARNING: The administrative fee will be collected by credit card or PayPal. It is crucial that all applicants enter their ESTA and payment information accurately. If information is entered incorrectly, the applicant may be charged additional fees to reapply. Updates to an application will not accrue additional fees. Applicants who do not complete the payment process will not receive authorization to travel to the United States and will not be allowed to board any aircraft or vessel destined for the United States. If an applicant stops payment of the fee, his or her authorization to travel to the United States will be revoked. CBP is not responsible for additional fees that may be charged by the applicant's credit card company or PayPal for the transaction. By pressing the "Apply" button in the application process, applicants agree not to dispute any administrative fee charged by CBP for the use of the ESTA system, and further acknowledge that there are no refunds.

Please indicate you have read and understand the information provided above:
