

submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

(c) Under 34 CFR 75.250(b), the Secretary may provide a grantee with additional funding for data collection analysis and reporting. In this case the Secretary establishes a data collection period.

5. *Performance Measures*: For the purposes of Department reporting under 34 CFR 75.110, we have established a set of performance measures, including long-term measures, that are designed to yield information on various aspects of the effectiveness and quality of the ETechM2 Program. These measures are:

- *Program Performance Measure 1*: The percentage of ETechM2 Program products and services judged to be of high quality by an independent review panel of experts qualified to review the substantial content of the products and services.
- *Program Performance Measure 2*: The percentage of ETechM2 Program products and services judged to be of high relevance to improving outcomes for infants, toddlers, children, and youth with disabilities.
- *Program Performance Measure 3*: The percentage of ETechM2 Program products and services judged to be useful in improving results for infants, toddlers, children, and youth with disabilities.

• *Program Performance Measure 4.1*: The Federal cost per unit of accessible educational materials funded by the ETechM2 Program.

• *Program Performance Measure 4.2*: The Federal cost per unit of accessible educational materials from the National Instructional Materials Access Center funded by the ETechM2 Program.

• *Program Performance Measure 4.3*: The Federal cost per unit of video description funded by the ETechM2 Program.

Program Performance Measures 1, 2, and 3 apply to projects funded under this competition, and grantees are required to submit data on Program Performance Measures 1, 2, and 3 as directed by OSEP.

Grantees will be required to report information on their project's performance in annual performance reports and additional performance data to the Department (34 CFR 75.590 and 75.591).

6. *Continuation Awards*: In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, whether the grantee has made substantial progress in achieving the performance targets in the grantee's approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

DEPARTMENT OF ENERGY

Agency Information Collection Extension

AGENCY: Department of Energy.

ACTION: Notice of request for comments.

SUMMARY: The Department of Energy (DOE) invites public comment on a proposed collection of information that DOE is developing for submission to the Office of Management and Budget (OMB) pursuant to the Paperwork Reduction Act of 1995.

DATES: Comments regarding this proposed information collection must be received on or before April 1, 2024. If you anticipate that you will be submitting comments but find it difficult to do so within the period of time allowed by this notice, please advise the DOE Desk Officer at OMB of your intention to make a submission as soon as possible. The Desk Officer may be telephoned at 202-395-4718.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT: Ira Birnbaum, Ira.Birnbaum@hq.doe.gov, 202-304-4940.

SUPPLEMENTARY INFORMATION: Comments are invited on: (a) Whether the extended collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

This information collection request contains:

- (1) *OMB No.*: 1910-NEW;
- (2) *Information Collection Request Title*: DOE Qualified List of Energy Service Companies;
- (3) *Type of Request*: New;
- (4) *Purpose*: The ESPC statute (42 U.S.C. 8287(b)(2)(A)-(B)) requires the Secretary of Energy to establish and

maintain a list of firms qualified to perform energy efficiency and renewable energy projects specifically using the energy savings performance contracts (ESPCs) project financing methodology. The forms subject to this Paperwork Reduction Act submission constitute the application and recertification statement for inclusion on the DOE Qualified List of Energy Service Companies (ESCOs). The ESCOs on the DOE Qualified List constitute the group of firms that are eligible for contract award under 10 CFR 436.32. ESCOs that would like to bid on ESPC contracts for the Federal government must apply to the DOE Qualified List of ESCOs and complete the annual recertification statement;

(5) *Annual Estimated Number of Respondents*: 128;

(6) *Annual Estimated Number of Total Responses*: 128;

(7) *Annual Estimated Number of Burden Hours*: 466;

(8) *Annual Estimated Reporting and Recordkeeping Cost Burden*: \$57,318.

Statutory Authority: The ESPC statute (42 U.S.C. 8287(b)(2)(A)–(B)) requires the Secretary of Energy to establish and maintain a list of firms qualified to perform energy efficiency and renewable energy projects specifically using the energy savings performance contracts (ESPCs) project financing methodology.
