

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB Control No. 2030-0051). Responses to this collection of information are voluntary. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to be 10 minutes per response. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates and any suggested methods for minimizing respondent burden to Director, Information Engagement Division, U.S. Environmental Protection Agency (2821T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.

Great Lakes Areas of Concern (AOCs) Community Use and Benefits

Welcome and thank you for your interest! Your participation in this survey will help us learn how people use [this site] and how to improve visitor experience. If you are at least 18 years old, would you mind sharing some of your insights and experiences about [this site] and your visit? The survey should only take about 10-15 minutes of your time.

Your participation is voluntary and anonymous and we do not require you to disclose personal information.

The first few questions pertain to how you access the site and what you do at [the site] when you visit.

1. Are you from [this area] or visiting?
 - 1a. What is your zip code?
2. How did you access [the site] today?
 - Walk-in
 - Bicycle
 - E-Bicycle
 - Vehicle
 - Boat
 - Other: _____
 - 2a. How long did it take you to travel to [the site]?
3. What does your typical visit to [this site] look like? In other words, what do you do and where do you go?
4. How often do you visit [this site]?
 - Daily

- More than once a week, less than daily
- About once a week
- About once a month
- Less than once a month
- This is my first time to [the site]
