

TCTAC Focus Group Discussion Topics

In partnership with the U.S. Department of Energy, the U.S. Environmental Protection Agency selected {Name of TCTAC} as one of the Thriving Communities Technical Assistance Centers (or TCTACs).

Our job is to remove barriers and improve accessibility help underserved and overburdened communities across the country. We will do this by providing training and other assistance to build capacity for navigating federal grant application systems, writing strong grant proposals, and effectively managing grant funding. In addition, we will provide guidance on community engagement, meeting facilitation, and translation and interpretation services for limited English-speaking participants.

Thank you for your participation in today's focus group. We want to better understand how to best support you to navigate applying for and effectively managing federal grants.

Burden Statement Template

“This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB Control No. 2030-0051). Responses to this collection of information are voluntary. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to be approximately three (3) hours per response. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates and any suggested methods for minimizing respondent burden to Director, Information Engagement Division, U.S. Environmental Protection Agency (2821T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.”

Discussion topics for focus groups:

- Discussion on how satisfied the potential applicant is with the TCTAC services
