Title 14 –Aeronautics and Space

Chapter I –Federal Aviation Administration, Department of Transportation

Subchapter H –Schools and Other Certificated Agencies

Part 145 –Repair Stations

Subpart E –Operating Rules

§ 145.217 Contract maintenance.

- (a) A certificated repair station may contract a maintenance function pertaining to an article to an outside source provided—
 - (1) The FAA approves the maintenance function to be contracted to the outside source; and
 - (2) The repair station maintains and makes available to its responsible Flight Standards office, in a format acceptable to the FAA, the following information:
 - (i) The maintenance functions contracted to each outside facility; and
 - (ii) The name of each outside facility to whom the repair station contracts maintenance functions and the type of certificate and ratings, if any, held by each facility.
- (b) A certificated repair station may contract a maintenance function pertaining to an article to a noncertificated person provided—
 - (1) The noncertificated person follows a quality control system equivalent to the system followed by the certificated repair station;
 - (2) The certificated repair station remains directly in charge of the work performed by the noncertificated person; and
 - (3) The certificated repair station verifies, by test and/or inspection, that the work has been performed satisfactorily by the noncertificated person and that the article is airworthy before approving it for return to service.
- (c) A certificated repair station may not provide only approval for return to service of a complete type-certificated product following contract maintenance, preventive maintenance, or alterations.
